

Skin Awakening Cannabis Renewal Facial

Step-by-Step Treatment Protocol

- ✓ Anti-Inflammatory benefits that work to alleviate redness or skin irritation.
- ✓ High dose of anti-oxidants and omegas to nourish the skin.
- ✓ Instant glow and enhancement of complexion.
- ✓ Age prevention and age management to combat wrinkles.

1. **Cleanse.** Apply a dime size amount of the **Purifying Milk Cleanser** and perform a double cleanse.
2. **Exfoliate.** Squeeze a dime size amount of the **Holistic Microdermabrasion Cream** into the fingertips and spread the cream throughout the skin. Massage in circular and upward movements for 3-5 minutes.
3. **Optional Secondary Exfoliation.** For a deeper exfoliate apply a thin coat of the **Pumpkin Enzyme Brightening Peel*** and leave on the skin for 2-5 minutes. You may fan the skin down to make the client more comfortable. Remove with a cold wet towel.
4. **Mask Therapy I.** Squeeze a full pump of the **Instant Energizing Oxygen Masque** and swiftly apply it with your fingertips or from a glass bowl with a fan brush throughout the skin. Leave it on until the oxygen infusion and toxin-purging action is complete. Remove with a warm towel
5. **Massage.** Scoop a nickel to quarter size amount of the **Vitality CBD Massage Balm** Using the balm perform massage for 10 to 15 minutes. Then pat dry the massage balm with a tissue.
6. **Mask II.** Apply a quarter size amount of the **Vibrancy Renewal CBD Masque** with a brush, or by massaging the masque in with your hands. Leave on for 10-12 minutes. Remove with a warm towel
7. **Tone.** Spray the **Cucumber Mint Moisturizing Mist** throughout the face and neck.
8. **Concentrated CBD Therapy.** Apply a teardrop amount of the **Luminous Glow CBD Face Oil** section by section to the skin and work the oil in.
9. **Accelerated Epidermal Infusion.**
 - a. Options include but not limited to:
 - i. Micro-Needling
 - ii. Light Therapy
 - iii. Micro-current
 - iv. Rezenerate
10. **Redness or Irritation Relief If Necessary.** Apply a pea size amount of the **Botanicort Complex*** to skin as needed.
11. **Anti-Fatigue Eye Treatment.** Apply a pea size amount of the **Awakening Eye Cream** to the surrounding eye area.
12. **Sun Protection.** Apply a pea size amount of the **Soy Doctor® Ultra Light Moisturescreen SPF 30*** lotion and massage it into the skin until it becomes transparent.
