## Xtreme Mats Water Sensor

**XTREME**<sup>®</sup>  
MATS

### Features

**LOW-COST, LOUD AND EFFECTIVE** designed to help mitigate damage and avoid the associated liabilities and legal exposure to landlords and management companies caused by water leaks.

**IMPORTANT TOOL** to warn apartment dwellers, managers and landlords of leak conditions so that they can be fixed before they become much costlier problems.

**NO BATTERIES REQUIRED.** Lasts up to 2 years.

**SIMPLE INSTALLATION.** Just place it in the designated location on the mat or anywhere leaks can happen. If water is present in the area underneath the sensor it will trigger a 110 dB alarm.
