The art of the everyday

Portmeirion pottery is made with a unique spirited individuality, just like the place that shares its name and where our founding mother grew up. Taking inspiration from the beauty of nature, the collections bring the outside in.

It's utterly distinctive, but built for the real world, embracing form and function, soul and spirit, mind and moments. This is what happens when you colour outside the lines.

MINERALS

Invigorate the senses with nature-inspired glazes, tactile shapes, and effortless beauty. Portmeirion Minerals is a celebration of time-honoured techniques and the beauty of nature, blending honest materials with skilful craft for a collection made with purpose.

Crafted in Portugal, a palette of harmonious colours in moonstone, rose quartz, aquamarine and amethyst, washes over textured curves; shades and shapes that blend seamlessly with your space.

Consciously designed, the stoneware is once fired, made from recycled clay, and is finished with a reactive glaze making every piece wonderfully unique. Beautifully presented in recyclable packaging, from the hands that shape it to the home that treasures it, Portmeirion Minerals is made to love and made to last.
