 Wrendale
DESIGNS
by Hannah Dale

Falling helplessly in love with Wrendale Designs.

Originally hand-painted in watercolour, Hannah Dale's delightful creatures are filled with personality and charm to create an effervescent collection that enchants every day. Inspired by the animals she sees in the Lincolnshire countryside and her zoological studies, Hannah Dale has partnered with Royal Worcester and Pimpernel to create a collection that encompasses everything from fine bone china mugs and kitchen accessories to tableware and Christmas decorations.
