About British Honey

Launched in 2014, BHC is famed for its award-winning fruit and honey infused spirits, marketed under the Keepr's brand. Many of the Keepr's spirits are infused with BHC 's proprietary British Honey from its fully traceable apiaries. The impressive spirits range with seasonal lines spans eight gins, four vodkas, two rums, two bourbons and a whiskey which is scheduled for release later this year. All of BHC's spirits are distilled onsite in the company's specially customised Still under the watchful eye of international award-winning Master Distiller, Jamie Baggott.
