**Dear Shop for your Charity,**

On behalf of Breast Cancer Foundation NZ, please accept our sincere thanks for your donation of **\$5.00**. Your receipt is below.

Breast Cancer Foundation NZ is committed to our vision of zero deaths from breast cancer.

We can achieve this by educating Kiwis on the signs of breast cancer through our nationwide education and awareness programmes; we can continue to provide support to patients and their families; and we can give hope through funding research which will help improve breast cancer patient treatments and survivorship.

Once again, our deepest appreciation for your amazing gift. Together we can make a difference to the lives of all New Zealanders.

Yours sincerely,

*Evangelia Henderson*  
Chief Executive Officer, Breast Cancer  
Foundation NZ
