Dear Shop for your Charity ,

**You are amazing!**

You've just made sure Kiwis living with cancer don't have to walk this journey alone.

With your donation, you're making sure cancer patients and their families get the care and practical support they need; from free specialist nursing and psychology services, through to help getting to treatment and accommodation for those needing life-saving treatment far from home. You're also helping protect future generations of Kiwis through ground-breaking cancer research and vital prevention programmes.

*Michiko , It's incredible gift that means so much, and makes a huge impact.*

**And this Daffodil Day your support has never been more needed or appreciated.**

The impact of Covid-19 is ongoing for us and for many New Zealanders affected by cancer. The cancellation of fundraising events and now an increase in demand for our services, means we have a challenging year ahead.

This year has also reminded me again though, how much we can achieve when we come together as a nation with compassion and support for each other. I'm so grateful to have you standing alongside us and the 23,000 New Zealanders diagnosed with cancer every year.

I am regularly inspired by the strength and resilience of families facing this disease, as well as the kindness and generosity of people like you, who choose to make a difference.

Thank you again so much.

Warmest regards

Andrew Young

Chief Executive
