Dear Hospice Supporter

Thank you so much for your recent donation of \$6.00 for Hospice NZ. We are extremely grateful for your support.

Many people believe hospice is about a building, when in fact it is a philosophy of care. Our goal is to help people make the most of their lives, to live every moment in whatever way is important to them.

The hospice philosophy extends beyond the physical needs of a person and extends to their emotional, spiritual and social needs too, as well as supporting their family and friends. Everything we provide is free of charge thanks to the support of people like you.

Your donation will help to ensure our services remain completely free of charge for anyone living with life limiting condition.

Thank you once again.

Warm regards

Mary Schumacher
Chief Executive
