Dear Shop for your Charity,

A woollen, snuggly blanket - the toasty glow of a hot water bottle - warm loving arms surrounding in a hug. Thank you for providing these sheltering, nurturing gifts of warmth to shivering, abandoned animals this winter!

I can't thank you enough for your wonderful donation of \$20.00. Your gift *will* save innocent animals from the rain and the cold.

Too many animals are being abandoned and cruelly discarded like little puppy, Belle. When Belle and her three sisters were just a few days old, they were boxed up, and left to die on a lonely country road. If it was for you, these puppies wouldn't have had a chance.

Thankfully, they were found in time, and because of your support, these tiny, baby puppies got the specialist care they needed to grow up, and reach their full potential!

Thank you, from the bottom of my heart, for saving these innocent lives – some of the most vulnerable animals in our society. You are their hero and ours.

Kind regards,
