Dear Shop for your Charity,

Your gift will help fund ambulances and vital medical equipment so that together, we can continue to care for people like Cameron.

The St John team was able to save Cameron's life because they had access to the right medical equipment in their ambulance - thanks to the generosity of supporters like you, Shop for your Charity.

After the paramedic and ambulance officers transported Cameron to hospital, they were only through their shift. They returned to the ambulance station to restock the medication and equipment ready for the next person who needed them.

Thanks to you and kind supporters like you, our emergency ambulance crews will continue to have the resources they need to do their lifesaving work. On behalf of myself, the entire St John team, and his family - thank you again for helping to save precious lives.

Warm regards,

**Peter Bradley**
