AN EXCEPTIONAL SNARE AT AN OUTSTANDING PRICE

Constructed from 100% Scandinavian Birch and featuring our Palladium hardware throughout, RAVEN is our best value snare drum. A sensational Black Ash outer veneer, 10 ply 6mm shell and 45 degree bearing edges give this pro level drum a look and sound all of its own.

Cutting high frequencies and balanced low and mid tones make this snare a welcome addition to any snare collection. Equally at home, on stage, or in the studio, RAVEN's tuning flexibility ensures a performance that can be matched to any musical situation.

With a diverse sound and mystical appearance, British Drum Co. welcome you to master the RAVEN.
