TOP FEATURES

FULLY MULTI-COATED

Athlon Optic's fully multi-coated glass gives you better light transmission with optimum brightness and true color across the entire light spectrum.

RAINPROOF

Don't let unexpected showers, slow you down. While not submersible, rainproof optics will shed water in the harshest conditions, so you can push forward.

RUBBER ARMOR

Rubber Armor is applied to the chassis, giving additional protection and a durable, secure, non-slip soft texture grip for any weather condition.
