The Kowa SV II and YF II binocular ranges offer outstanding value for money. All models feature fully multi-coated lenses for crisp, sharp images and a tough, fully waterproof nitrogen filled body with tactile rubber armouring giving great protection against the elements. The lenses are protected by Kowa's unique KR coating which actively repels dust and dirt. Lightweight and ergonomic - these easy to use binoculars can be enjoyed by the whole family in gardens, parks, nature reserves, events, sports and out in the hills.

Because nature is for everyone.
