

Congratulations on your new pair of Leupold Performance Eyewear!

We can't wait to see all the places you rep your Performance Eyewear, from the mountains to the city, and everywhere in between.

Tag your photos with #WearInTheWild and #LeupoldCore, and mention @LeupoldOptics for a chance to be featured on our social media platforms.

For product details, visit leupold.com/shop/performance-eyewear.

Register your product at leupold.com/register and become a Core Insider to be the first to get industry updates, insider tips, and exclusive Leupold offers.

QUICK CARE TIPS

1. Blow away dust or debris on lenses, or rinse them off under running water. Do not use chemicals or solvents, doing so may cause damage.
2. Remove fingerprints, water spots, or dirt by gently wiping the lenses off with a soft microfiber cloth or eyewear bag (provided).
3. Avoid using paper products (paper towels or tissues) to clean your lenses and frames.

In the event of a need for service, please contact Leupold Product Service at 1-800-LEUPOLD. For complete warranty details, visit leupold.com/warranty.
