

Charlottenborg Lounge Chair

by Arne Jacobsen for Sika Design

Arne Jacobsen broke new ground in 1936 when he began making experimental shapes with rattan. The distinctive curves in this Chair are paired with comfortable upholstered cushions and are best used indoors or outside with a covered terrace.

For questions and finish options, please contact modernlink to speak with a design expert for advice and consultation. For rattan care, wash with water mixed with mild soap, using a sponge or medium brush to remove any stains.
