

ML 45 Sideboard

by William Lee for modernlink

This modernlink original, inspired by the 1940's, was made by Danish cabinetmakers in Copenhagen using traditional techniques. Featuring solid Tambour doors, this Burmese Teak Sideboard has Smoked Oak handles and feet and is finished with solid brass screws.

ML 45 Sideboard can be custom sized and interior drawers custom made. For additional questions, finish options and custom orders, please contact modernlink to speak with a design expert for advice and consultation.
