## Safety information:

- To prevent fire or shock hazard, never expose this portable monitor to rain or moisture.
- Never try to open this portable monitor cabinet.
- Before using this portable monitor, make sure all cables are correctly connected and the power cables are not damaged. If you detect any damage, contact your dealer immediately.
- Avoid dust, humidity, and temperature extremes. Do not place this portable monitor in any area where it may become wet. Place this portable monitor on a stable surface.
- Never push objects or spill liquid of any kind into the slots on this portable monitor cabinet.
- If you encounter technical problems with this portable monitor, contact a qualified service technician or your retailer.

## Care & cleaning:

Cleaning. Turn your monitor off and unplug the cable. Clean the monitor surface with a lint-free, non-abrasive cloth. Stubborn stains may be removed with a cloth dampened with a mild cleaner. Avoid using a cleaner containing alcohol or acetone. Use a cleaner intended for use with the LCD. Never spray cleaner directly on the screen, as it may drip inside the monitor and cause an electric shock.
