

**Confirmation of Impression Signature's membership to
the Cloud Signature Consortium.**

To whom it may concern,

On behalf of the Cloud Signature Consortium, we are pleased to confirm that Impression Signatures, of Allandale Road & Bekker Road, Midrand, South Africa, has been a Premium Member of the Cloud Signature Consortium since August 2019.

The Cloud Signature Consortium is a group of leading industry and academic organizations committed to building a new international standard for cloud-based digital signatures. To find out more about the work of the Consortium, please visit our website at www.cloudsignatureconsortium.org

By successfully joining the Cloud Signature Consortium, Impression Signatures has clearly demonstrated their adherence to our strict membership criteria and professional standards. In doing so, Impression Signatures has also begun contributing to the development of our new international standard that will further digital transformation on a global scale. Impression Signature's digital and cloud signature products, that are available on web and mobile platforms, meet rigorous cybersecurity requirements and comply with the world's most demanding electronic signature regulations.

Overall, Impression Signatures have demonstrated their role as a leading provider of cloud eSignatures, digital eSignatures and digital certificates in their region. Should you have any questions regarding Impression Signature's work, or their membership to the Cloud Signature Consortium, please contact the Secretariat via info@cloudsignatureconsortium.org

With best regards,

Oisín Nolan
