

ARCO ASSURANCE

ARCO ASSURANCE WARRANTY PROGRAM

Assurance- That's the confidence our customers experience with the new ARCO Assurance warranty program.

You may already know that ARCO's product return rate is less than ½ of 1% – **the lowest in the marine parts industry-** but you may not know that we offer a warranty toolkit that includes pro-tips and step-by-step guides on ARCO product installation and toll-free technical assistance.

COMMITTED TO GIVING YOU THE MOST OUT OF YOUR ARCO PRODUCTS

- Each and every unit ARCO manufactures is tested to ensure it will perform at OEM specifications- or better- right out of the box
- ARCO products are 5x more reliable
- If an ARCO product ever fails to perform as it was designed, ARCO will repair or replace it
- Exclusive access to ARCO Warranty Toolkit
- A technical service and support team that provides expert knowledge to help solve marine electrical difficulties
- Covers labor costs to replace warranted products

When properly installed all ARCO products are warranted against defects in materials and workmanship for a period of 12 months for leisure use and 90 days for commercial or racing applications.

For full warranty details or to access the ARCO Toolkit visit ArcoMarine.com

Have questions or not sure if you're getting the most out of your ARCO products?
