

HIGH ENERGY ALTERNATOR REGULATOR

Did you know? You Can Report A Problem

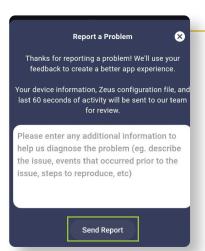

- **1.** In the ARCO Zeus App, select the information icon in the top left corner.
 - Searching for ARCO Zeus.
 Pull to refresh list.
 Press the + button above to setup a new device.
- 2. Select Report a Problem.

- 3. Here, you can type additional information about any issues or problems. The information you provide will be sent to the support team to help resolve the issues you are having.
- **4.** Select "**Send Report**" when you are finished with your entry.

Your report has now been sent to ARCO.
