Battery Level Display	Yes, 4 LED lights
Receive Sensitivity	-89dBm
Operation Temperature	-20°C~+70°C
Storage Temperature	-30°C~+85°C

3. Product Use And Installation

IOS/Android

There are 2 ways for you to download the APP on your phone/tablet:

1. Turn off WIFI on your phone/Tablet. Then Scan QR Code located above. It is imperative that your WIFI is turned off to scan QR Code
2. Or you can search for the QR Code rather than use QR Code:

Visit your APP store

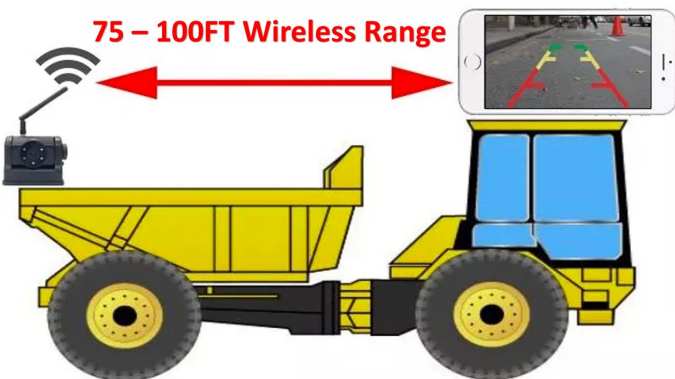

- Type in SEARCH section; "SWD Camera"
- Then you will see the SWD Camera app. Download the SWD Camera app
- Then turn on the backup camera, go to phone settings. Select WIFI- search the WIFINetwork named: SONIX*****. Enter Password: 000000

3. Once connected to SONIX network, open up SWD Camera app and view backup camera.

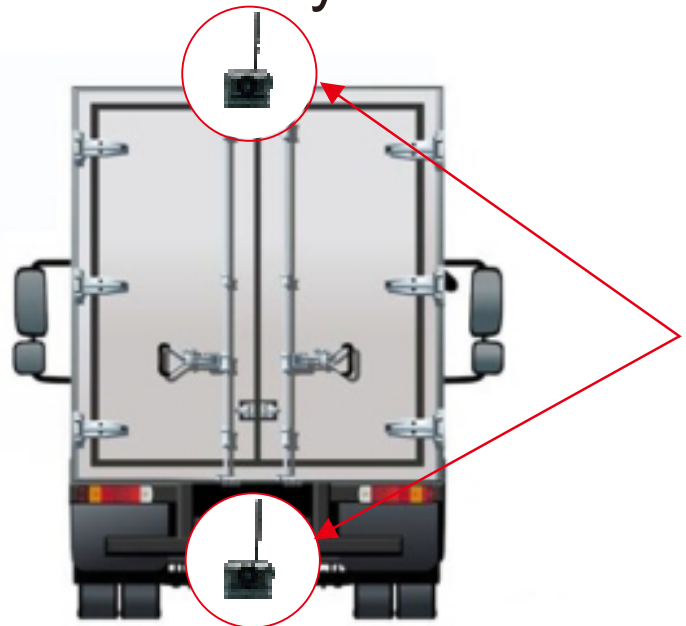

Vehicle mode:

Widely used as trailer hitch rear view camera, it can also be used as a rear view camera for cars, pickup trucks, RVs, buses, SUVs, vans, forklifts, etc.

Wifi APP Heavy Duty Backup Camera with Battery and Magnetic Mount
