

*ART OF THE MASTERS PROGRAM
PRESENTS THE LIFE & WORK OF*
FAITH RINGGOLD

> During the month of February, we will be celebrating Black History Month and showcasing the life and work of Faith Ringgold; a New Jersey resident (Englewood, NJ). She began her career in the early 60's as a painter, an art activist, feminist and an educator. Her protests, events, happenings and exhibitions of the 60's and 70's took a stand for Freedom of Speech and Equality. As a result of her efforts, she broke ground and opened (museum) doors for artists of color and women. Today, she is best known for her painted story quilts and her illustrated children's books.

> During our hands-on session, participants will have the opportunity to create their own piece of jewelry which will be connected to their lives. At the end, students will have their own one-of-a-kind piece of art which they can wear. Please join us for this exciting art experience.
