

ART OF THE MASTERS PROGRAM

PRESENTS THE LIFE & WORK OF

Johannes Vermeer

> Today Jan Vermeer is ranked as one of the most original painters of 17th century Dutch. During his brief lifetime, it's believed that he only produced 46 paintings (only 36 paintings have survived) and he remained relatively unknown. It was not until 200 years after his death, that his work was rediscovered and shared with the world.

> After our presentation, students will have the opportunity to choose a Vermeer painting and recreate it their own way using gouache paints. Afterwards, all pieces will be signed and framed for all to enjoy. We hope to see you!
