

THE PHOENIX

The Phoenix is also equipped with a mesh back to prevent sweating, a hidden back pocket, a single front pouch (made to fit any size phone), and side pocket for accommodating pepper-spray, a knife, a flashlight, or a multi-use tool.

As with all Ukoala Bags, the brown interior cloth is silky, soft, and durable. The Phoenix's two adjustable straps make for an easy and comfortable fit with multiple configuration wear options (cross-body, over-the-shoulder, belt-leg wrap, and backpack). All of our bags are also made to accommodate an optional detachable holster system (sold separately).

Phoenix is available with the following options:

- Compact Size (Color Choices: Black, Brown, Purple)
- Standard Size (Color Choices: Black, Brown, Purple)

Included With Phoenix Purchase:

- Leather belt keeper (to contain any excess belt tail)
- Additional belt extension for added length or for cross-functional use

Available Accessories (sold separately)

- A removable holster system in universal nylon, universal leather, or gun-specific, vacuum-molded Kydex for use in either of the two separate, and distinct compartments
- Wallet
- Water bottle holder
