# 7 Device Tech Cart

## Product Features:

### Mobility:

7.6 cm (3") swivel casters, two casters with a total lock brake and two without a brake, holds the unit securely in position. The 7 Device Tech Cart fits through a 30" door frame from either direction.

### Security:

The 7 Device Tech Cart focuses purely on mobility, accessibility, and storing devices with their essential accessories. For products with higher security options, please check out website.

### Stability:

With a wide leg base of 38.1 cm W x 48.3 cm D (15" W x 19" D) from leg to leg and by mounting the power strip on the opposite side of the headphone holder, the unit is stable. Before moving the unit, please ensure the power strip cords are wrapped around the cable hooks, and device charging adaptors are placed in the provided cable clips.

### Wire / Power Strip Management:

On each tub there are two cable clips provided to hold the devices' cable adaptors in place and separate them from each other. The power strip holder has cable hooks on the back to wrap power strip cables around. The mounting space on the power strip holder is 9 cm W x 18.9 cm H (min) (3-1/2" W x 7-3/8" H (min)).

### Seven-Outlet Power Strip:

Easily charge all of your devices at once with the internal power strip that includes seven outlets. The power strip offers surge protection for your devices from lightning storms, etc. Cable hooks on the 7 Device Tech Cart help keep the 8-ft cable wrapped and organized during transportation.

### Storage:

The top shelf measures 36.3 cm W x 38 cm D (14-1/4" W x 15" D), and can be used to place your laptop, Dewey, Document Camera, and other instructional items for use. The Tiny Tub can be used to store styluses or smaller materials. The headphone holder mounts either on the side or on top of the cart and holds up to 7 headphones depending on their size. The Tubs store your device with or without a case and their power adaptor if needed. Each Tub interior dimension measures 26 cm W x 6 cm D x 34 cm H (10-1/4" W x 2-5/16" D x 13-3/8" H).
