educational products

## Lock, charge and sync your iPads<sup>®</sup>, Chromebooks<sup>™</sup> and other tablets.

“

As a school principal, I deployed 1:1 devices at the secondary and elementary levels. Today, my school works in a mobile lab learning configuration. Copernicus has developed the most versatile solution for securing and charging mobile devices in the market.

”

— Susan Wells, K12 Education Outreach Coordinator, ISTE Mobile Learning Network President-Elect 2015-16

# Tech Tub™ features

We have improved our best selling Tech Tub™ with new features, like adjustable dividers for different sized devices and a cable management pocket to keep cords neat and organized. Tech Tubs™ are secure, mobile and lightweight, and make device sharing and charging easy.

## Highlights

### Mobile:

Tech Tubs™ can be purchased individually and carried throughout a school or incorporated into a single tub Trolley, 2 Tub or 4 Tub Cart configuration.

### Flexible:

Tech Tubs™ can store, charge and sync Apple® devices, most 11" Chromebooks™ and other tablets with or without cases with optional accessories to accommodate a variety of needs and budgets.

### Affordable:

Tech Tubs™ offer a direct alternative to high cost, heavy, oversized tech storage and charging carts. Tubs are sold individually, allowing schools to "grow their technology" at a pace that supports their device budgets.

## Product features

### IMPROVED Tech Tub™ for Chromebooks™

- Now supports more Chromebooks™ including the 11" models from Dell, HP, Acer, Asus and Samsung
- NEW Taller lid accommodates a wider range of Chromebooks™
