

The Every day chair

TESTIMONIAL

"The Kore™ has been an enjoyable and versatile tool in the process of my work. The ability to rotate and tip easily from one task to another has made my jobs (and my back) feel so much better."

John Amen, sailmaker,
Amen Design Group

- Gently rounded ergonomic base allows you to move and flex without leaving your seat
- Exercises legs, back, and abdominal muscles
- Relieves soreness and stiffness
- Has been sold in the Museum of Modern Art Design Store and featured in the NY Times Personal Shopper Column
