Welcome to the home of

nutritional skincare

Founded over 40 years ago by our CEO, Jane Gee, Nutritional Skincare has been at the core of our practice. Our commitment to your well-being shapes everything we do.

When it comes to your health, you can't separate what you put in your body, around your body, and on your body from one another.

That is exactly why our holistic practitioners treat the skin from the inside out. The skin has a language and it provides a window into the digestive system. Once you learn the language, you will have the confidence to manage your skin.

Our team focuses on fixing the underlying issues, instead of searching for quick fixes. Many skin

conditions can be linked to a lack of critical nutrients, hormonal imbalances, and diet choices. We believe when given the right tools, your body can do miraculous things. Our bodies inherently are self-healing. Focusing on healthy eating, maintaining balance in your life, lowering your toxic load, and being aware of your mindset can set you on a path of longevity and health.

Only YOU have the power to make changes in your life. Our team is here as a resource to guide you along your journey to overall health and clear and glowing skin.

We work with nature, not against it. We are committed to using botanical ingredients our body can understand and process rather than synthetic chemicals. Natural is how we are meant to be.

immaculately groomed, who introduced her to the healing powers of herbs. She learned the Latin names and the properties of the herbs as a child, studied at Australia's renowned Ella Bache College of Skin and Beauty Therapy, and, later, in France. After traveling the world, she settled in the United States.

Along the way, Jane developed an intimate knowledge of nutritional skincare.

Today, Jane continues to pursue her passion of nutritional skincare by creating the janegee line of high-quality, all-natural skincare products and guiding others in the use of natural essences to better themselves. "Achieving great skin and hair is simple," says Jane, "it's all about understanding the vital relationship between your body and what you put in it. Skin and hair understand natural ingredients." Jane and her team believe that if you learn the language of your body, you will understand how to properly take care of it.

Jane's **Skincare Philosophy**

Beautiful, healthy skin is all about balance and harmony. Through years of training, observation, study, and practice, Jane has become an expert at restoring that balance. She works closely with nature to create protocols for skincare and products that support the health of your skin. Once you understand it, skincare can be simple: keep it balanced and your skin does the work for you!

Skin: A Window to your Health

Your skin is an amazing organ working hard to protect you from environmental toxins, pollutants, and daily stresses. If you have a problem with your skin it generally means there is an imbalance somewhere else in your body. For example, when we see clients with acne and blemishes, we often find an imbalance and inflammation in their gut. Always consider your skin to be a window into the way your body is functioning. What a great indicator of overall health - one you wear every day!

For this reason, the importance of skincare can't be overemphasized. Continue reading to get a better understanding of your skin's function and what Jane recommends to keep it looking radiant and fresh - for better health inside and out!

The Acid Mantle: Your Skin's Protective Barrier

Your skin's outermost layer of cells is protected by a thin layer of fluid known as the acid mantle. This moist, slightly acidic layer serves as your first line of defense against bacteria and contaminants in your environment. Bacteria can't thrive in an acidic environment, so it's dead on arrival when your skin is in good health.

However, the acid mantle is delicate and can be stripped away by using too-harsh cleansers or astringent, alcohol-based toners. What's more, different skin types have a different natural pH. For example, oily skin is more alkaline (less acidic) and susceptible to infection because it is less able to fight

harmful bacteria. Therefore, oily skin will need products that help restore the acid. Understanding your skin's delicate balance is the first step to giving it what it needs to thrive.

Choosing the Right Products for Balanced Skin

Everything that comes in contact with your skin – from air pollution to your daily moisturizer – has the potential to upset the balance of the acid mantle. Even things like hard water or too much sun exposure can lead to an imbalance that leaves you open to inflammation or infection. This is why it's important to choose a natural, more gentle product that helps to restore the acid mantle balance you need for healthy, radiant skin.

Nourishing your Body with Right Food

The food we eat has a direct correlation to the way we look, the condition of our skin, and our overall health. In this modern world we live in we are constantly being bombarded by toxins, we breathe them in, our skin absorbs them, and we ingest them. Did you know that the particles of pollution are finer than the pores of our skin and enter our skin easily? We absorb 60% of what we put in our bodies, on our bodies, and around our bodies is absorbed in 26 seconds. It really gets you thinking. But we have to take this one step further. We are not just what we eat, but what we assimilate. Eating certain foods will increase hormone activity such as androgens which in turn creates more sebum and keratinization of cells which form sticky plugs in the pores. This leads to acne. Eating too much sugar will create a type of acne and wrinkles!

So when it comes to taking care of skin, we look at what goes on the skin, in the body, and an array of lifestyle contributors to varying skin conditions.

When you are kind to your skin and give it the care it needs to remain balanced, it will thank you with a gorgeous, dewy glow. Your skin works hard to protect you from toxins and microbial infections; why not say thank you by treating it to some naturally healthy products!

Meet our Leader, **Jane Gee!**

For Jane Gee – a certified Master Holistic Esthetician, aromatherapist, and flower essence practitioner – that next step was the founding of janegee. And, yes, wonderful things have happened. But before that, there was a lifetime of fascination with nature's healing powers.

As a child in Australia, Jane's earliest influences were her mother, who had a keen eye for quality and craftsmanship, and her father, always

BALANCING OILS

We aim to get all the energy in the skin balanced just so your skin can do its job and stay healthy and glowing. I remember my father always saying that the nutrition for your skin is in the blood. Here at janegee, we want the microcirculation of the skin to be healthy and strong. For example, if your skin has uneven skin tone, red in areas, broken capillaries, rashy, red, acne, or pale and lifeless we need to calm or energize the skin to bring it into balance. Yin and Yang oils do exactly that. Yin cools and strengthens red reactive skins, and Yang, our heating solution, stimulates the lymphatic system to drain away the waste and feed the skin. Acne does not have a chance when using janegee congested skin protocols.

BALANCING OILS-YIN & YANG

Heating and cooling roll-on oils to help balance, restore, and strengthen the skin

SKIN TYPES: For redness and broken capillaries.

DESCRIPTION:

- Calms redness.
- Reduces irritation through a cooling effect.

KEY INGREDIENTS:

Peppermint Oil, Lavender Oil, Soybean Oil

FULL INGREDIENT LIST:

Soybean (Glycine Soja) Oil, Peppermint (Mentha Piperita) Oil, Cypress (Callitris Intratropica) Oil, Lavender (Lavandula Angustifolia) Oil, Lemon (Citrus Limonum) Oil

SIZE: 1/3 fl oz (10ml)

DIRECTIONS:

After cleansing, apply Yin Oil to any areas of redness, i.e., broken capillaries. Leave on for 5-7 minutes, remove, and continue with our Mini Facial Protocol.

SKIN TYPES: For all skin types, especially acne, wrinkles, and dull skin.

DESCRIPTION:

- Enhances skin texture and tone through a warming effect.
- Helps clean and clear out clogged pores.

KEY INGREDIENTS:

Cinnamon Leaf Oil, Cranberry Oil, Niaouli Oil

FULL INGREDIENT LIST:

Coconut Medium Chain Triglyceride (Caprylic/Capric Triglyceride) Oil, Cinnamon Leaf (Cinnamomum Zeylanicum) Oil, Lavender (Lavandula Angustifolia) Oil, Camelina (Camelina Sativa) Seed Oil, Cranberry (Vaccinium Macrocarpon) Seed Oil, Niaouli (Melaleuca Quinquenervia) Oil, Rosemary (Rosmarinus Officinalis) Extract

SIZE: 1/3 fl oz (10ml)

DIRECTIONS:

After cleansing, apply Yang Oil to your face and neck, avoiding areas of redness. Leave on for 5-7 minutes, remove, and continue with our Mini Facial Protocol.

*****Caution: Avoid Eye Area**

BEAUTY OIL

About 3 years ago, our chief Chemist, Kimber, and I were brainstorming a product that would be beneficial to cancer patients; specifically, those that had radiation burns. There is a long list of ingredients that should be avoided if you’ve gone through radiation, and even though we make natural products, there were things we still had to avoid. After many hours of research, a few failed attempts, and some turmeric-stained towels, we landed on the fabulous Beauty Oil. Not only has it proven to be effective for cancer patients, but we’ve also discovered it helps a myriad of skin issues like minor burns (including sunburns), acne, scarring, dryness, poison ivy, and general irritation.

BEAUTY OIL

Nourishing and soothing face and body oil

SKIN TYPES: All skin types, especially great on dry, sensitive, and skin prone to acne/congestion

DESCRIPTION:

- A beautiful blend of natural oils and herbs soothes, hydrates, and improves the texture of the skin.
- It is readily absorbed, leaving your skin feeling soft and silky smooth.
- This multi-purpose body oil can be used all over the body for hydration and on your face as a daily moisturizer.

KEY INGREDIENTS:

Shea Nut Oil
Hemp Seed Oil
Calendula Infusion
White Turmeric Infusion
Devil's Claw Infusion

FULL INGREDIENT LIST:

Shea Nut (Butyrospermum Parkii) Oil, Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Jojoba (Simmondsia Chinensis) Seed Oil, Sunflower (Helianthus Annus) Seed Oil, Calendula (Calendula Officinalis) Flower, Hemp (Cannabis Sativa) Seed Oil, White Turmeric (Curcuma Zedoaria), Devil's Claw (Harpagophytum Procumbens) Root, Vitamin E (Tocopherol)

SIZE: 4 fl oz (118 ml)

DIRECTIONS:

For the face, massage in a small amount of Beauty Oil after cleansing. Repeat morning and night. For the body, apply Beauty Oil to dry areas, pay particular attention to elbows and heels. Repeat as needed.

PAIRS WITH: janegee Cleansers

BLACKHEAD REMOVER

Powerful spot treatment

SKIN TYPES: Oily, congested, blackhead prone skin

DESCRIPTION:

- Developed as a spot treatment for clogged pores, whiteheads, and blackheads.
- Balances oil production.
- Reduces redness and irritation.
- Lightens skin pigmentation.

KEY INGREDIENTS:

Fractionated Coconut Oil
Palmarosa Oil
Lemon Oil

FULL INGREDIENT LIST:

Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Palmarosa (Cymbopogon Martinii Var Motia) Oil, Lemon (Citrus Limonum) Oil

SIZE: 1/3 fl oz (10ml)

DIRECTIONS:

After cleansing, simply roll the oil onto any areas of concern.

PAIRS WITH: Clear Skin

CLAY

One of my favorite things is clay. I cannot stress enough how important clay is for the health of our skin. Clay is fresh from nature, pure, simple, and filled with natural minerals.

Clay masks benefit the skin and body by producing a charge that is electrical in nature when the clay comes in contact with a liquid. This is similar to how earthing (touching your bare feet to the earth, in particular, wet grass) works. When the clay touches any type of fluid (normally water), it takes on a different charge and is thought to bind to any toxins. The clay will take those toxins with it when washed away. Isn't that amazing! Such a simple ritual will detox and deeply cleanse your skin, leaving it soft, smooth, and supple.

CLAY

Marine | Green | Olive | Pink

SKIN TYPES: All skin types

DESCRIPTION:

- Pure seaweed adds minerals to the skin to help balance skin tone, even texture, and restore luster.
- Use before your clay mask to help hydrate, soothe, and calm the skin.

KEY INGREDIENTS:

Bladderwrack Seaweed

FULL INGREDIENT LIST:

Bladderwrack Seaweed (Ascophyllum Nodosum) Powder

SIZE: 2 oz

DIRECTIONS:

Mix face masks with a small amount of Floral Water (or water) until a thick but spreadable consistency is achieved. Using a mask brush or clean fingers, spread the mask across a clean face and allow to sit for 10-20 minutes. Remove with a warm, wet face cloth and follow with a serum and moisturizer.

PAIRS WITH: Balancing Oils and Floral Waters

SKIN TYPES: All skin types

DESCRIPTION:

- Natural clays that help pull impurities from the skin.
- Imparts minerals to the skin that help balance skin tone, even texture, and restore luster.

KEY INGREDIENTS:

French Green Clay

FULL INGREDIENT LIST:

French Green Clay

SIZE: 2 oz

DIRECTIONS:

Mix face masks with a small amount of Floral Water (or water) until a thick but spreadable consistency is achieved. Using a mask brush or clean fingers, spread the mask across a clean face and allow to sit for 10-20 minutes. Remove with a warm, wet face cloth and follow with a serum and moisturizer.

PAIRS WITH: Balancing Oils and Floral Waters

CLAY

SKIN TYPES: Acne/oily skin

DESCRIPTION:

- Natural clays that help pull impurities from the skin.
- Imparts minerals to the skin that help balance skin tone, even texture, and restore luster.

KEY INGREDIENTS:

Australian Olive Clay

FULL INGREDIENT LIST:

Australian Olive Clay

SIZE: 2 oz

DIRECTIONS:

Mix face masks with a small amount of Floral Water (or water) until a thick but spreadable consistency is achieved. Using a mask brush or clean fingers, spread the mask across a clean face and allow to sit for 10-20 minutes. Remove with a warm, wet face cloth and follow with a serum and moisturizer.

PAIRS WITH: Balancing Oils and Floral Waters

SKIN TYPES: Normal, sensitive, and mature skin

DESCRIPTION:

- Natural clays that help pull impurities from the skin.
- Imparts minerals to the skin that help balance skin tone, even texture, and restore luster.

KEY INGREDIENTS:

Using a mask brush or clean fingers, spread the mask across a clean face and allow to sit for 10-20 minutes. Remove with a warm, wet face cloth and follow with a serum and moisturizer.

PAIRS WITH: Balancing Oils and Floral Waters

THE BRIGHTENING TREATMENT MASK

Restorative cream treatment mask

TREATMENT MASK

Introducing the Brightening Treatment Mask. This restorative mask helps to lighten and brighten the skin, while evening and smoothing skin tone, Ultimately, helping you achieve a youthful and healthy glow. Even better, it is designed to work on all skin types, including dull, aging, oily, acne-prone, red and reactive skin, and dry skin.

SKIN TYPES: all skin types

DESCRIPTION:

- Soothing restorative treatment mask
- Lighten, brightens, and balances skin tone
- Helps to reduce the appearance of wrinkles

KEY INGREDIENTS:

Ectoin®

Rose Clay

Grapeseed Oil

FULL INGREDIENT LIST:

Water (Aqua), Rose Clay, Glycerin, Leuconostoc/Radish Root Ferment Filtrate & Lactobacillus & Cocos Nucifera (Coconut) Fruit Extract, Grapeseed (Vitis Vinifera) Oil, Populus Tremuloides Bark Extract (Aspen Bark Extract), Cetearyl Oliviate, Sorbitan Oliviate, Stearic Acid, Cetyl Alcohol, Cetearyl Alcohol, Ectoin, Xanthan Gum, Citrus Bergamia (Bergamot) Oil, Sodium Phytate, Vitamin E (Tocopherol)

SIZE: 2 oz (57g)

DIRECTIONS:

For best results, we recommend using your Treatment Mask a minimum of one time per week. However, it is designed to be used up to three times per week. Simply use the antimicrobial silicone spatula to scoop out a quarter size amount of the mask. On a freshly cleansed face, apply an even layer over your face and let sit for 10-20 minutes. After allowing the mask to treat the skin, wash off with a clean linen face cloth. Follow up with your favorite janegee moisturizer!

PAIRS WITH: Olive Clay, Marine Mask, Elixir, Signature Floral Water

CLEANSER N^o.1

Antioxidant-rich milk cleanser

CLEANSER N^o.1

Cleanser No.1 was the first milk cleanser I ever made. I designed it for normal to dry skin that has no congestion. I filled it with rich antioxidants like fresh green papaya extract to help hydrate the skin and help reduce the appearance of fine lines. This cleanser also has a beautiful silky texture that I adore. It will leave your skin feeling clean, fresh, and hydrated.

SKIN TYPES: Normal to dry skin

DESCRIPTION:

- Lightweight milk cleanser.
- Cleans, hydrates, and balances the pH of the skin.

KEY INGREDIENTS:

Methylsulfonylmethane (MSM)

Panthenol

Evening Primrose Oil

Papaya Extract

Pineapple Extract

FULL INGREDIENT LIST:

Water (Aqua), Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Olea Europaea (Olive) Fruit Oil, Vegetable Glycerin, Cetearyl Olivat, Sorbitan Olivat, Organic Rooibos Tea Extract (Alcohol, Aspalathus Linearis), Organic Jojoba (Simmondsia Chinensis) Oil*, Stearic Acid, Cetyl Alcohol, Cetearyl Alcohol, Green Papaya (Carica Papaya) Extract, MSM (Methylsulfonylmethane), Lactic Acid, Pineapple (Ananas Comosus) Extract, Rosehip (Rosa Rubiginosa) Fruit Oil, Evening Primrose (Oenothera Biennis) Oil, Cranberry (Vaccinium Macrocarpon) Oil, Xanthan (Xanthomonas Campestris) Gum, Organic Aloe (Aloe Barbadensis) Leaf Juice, Vitamin E (Tocopherol), Vitamin B Complex (Panthenol), Benzoic Acid, Vitamin C (Ascorbyl Palmitate), Carrot (Daucus Carota Sativa) Seed Oil

SIZE: 4 fl oz (118ml)

DIRECTIONS:

Wet your face first, apply one pump of cleanser, massage into skin, and remove with a warm face cloth.

PAIRS WITH: Elixir, Face Oils, Vitamin Creme, and Beauty Oil

CLEANSER N^o.2

Antioxidant-rich milk cleanser

CLEANSER N^o.2

It is so important to maintain the integrity of the surface of your skin. Especially as we get older. Although I am a great proponent of oil cleansing, sometimes oil just isn't enough. If you are going to take the time to clean your face why not make it do double duty? I emulsified a variety of botanical oils and blended them with white, green, and rooibos teas - all skin-loving antioxidants. Your skin will not only feel clean but it will also be left soft and supple to the touch.

SKIN TYPES: Normal, dry, and mature skin

DESCRIPTION:

- Lightweight milk cleanser.
- Cleans, hydrates, and balances the pH of the skin.
- Ideal for mature skin to reduce the appearance of fine lines.

KEY INGREDIENTS:

Methylsulfonylmethane (MSM)

Panthenol

Rooibos tea tincture

Green tea tincture

White tea tincture

Papaya Extract

Pineapple Extract

FULL INGREDIENT LIST:

Water (Aqua), Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Olea Europaea (Olive) Fruit Oil, Vegetable Glycerin, Cetearyl Olivat, Sorbitan Olivat, Organic Rooibos Tea Extract (Alcohol, Aspalathus Linearis), Stearic Acid, Cetyl Alcohol, Cetearyl Alcohol, Green Tea Extract (Alcohol, Camellia Sinensis Leaf), White Tea Extract (Alcohol, Camellia Sinensis Leaf), MSM (Methylsulfonylmethane), Lactic Acid , Xanthan (Xanthomonas Campestris) Gum, Organic Aloe (Aloe Barbadensis) Leaf Juice, Vitamin E (Tocopherol), Vitamin B Complex (Panthenol), Benzoic Acid, Vitamin C (Ascorbyl Palmitate), Rosemary Oil (Rosmarinus Officinalis Leaf) Extract, Neem (Azadirachta indica) Oil

SIZE: 4 fl oz (118ml)

DIRECTIONS:

Wet your face first, apply one pump of cleanser, massage into skin, and remove with a warm face cloth.

PAIRS WITH: Elixir, Face Oil No. 1, Jasmine & Rose Face Oil, and Vitamin Creme

CLEANSER N^o.3

A gentle oil cleanser

SKIN TYPES: Sensitive, red, and oily skin

DESCRIPTION:

- This lightweight oil cleanser will balance oil production and easily clean away excess oil, dirt, and debris.
- A great daily cleanser for sensitive and Rosacea skin.

KEY INGREDIENTS:

Jojoba Oil
Neem Oil

FULL INGREDIENT LIST:

Jojoba (Simmondsia Chinensis) Oil, Neem (Azadirachta Indica) Oil

SIZE: 2 fl oz (59ml)

DIRECTIONS:

Apply 1-2 pumps of oil to dry skin. Massage gently into your face and neck. Remove with a warm face cloth. Pat dry and apply a moisturizer.

PAIRS WITH: Face Oil No. 3, Marine Mask, Green Clay, and Tomato Creme

CLEAR SKIN

Clear Skin is a gentle and effective cleanser, treatment, and moisturizer all in one. I originally made it for a young client who had suffered from acne and problematic skin for years, but it has quickly turned into one of our most loved products. It is a true celebration of the ancient ritual of oil cleansing. Clear Skin will balance oil production, refine, moisturize, and leave your skin soft, smooth, and healthy.

CLEAR SKIN

A corrective oil cleanser

SKIN TYPES: Oily, congested, acne-prone skin

DESCRIPTION:

- A gentle and effective cleanser, treatment, and moisturizer all in one.
- Balances oil production, improves congestion, and supports a healthy microbiome without drying out the skin.
- Leaves the skin feeling soft, smooth, and healthy.

KEY INGREDIENTS:

Neem Oil
Jojoba Oil
Tamanu Oil
Helichrysum Oil
Palmarosa Oil

FULL INGREDIENT LIST:

Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Organic Jojoba (Simmondsia Chinensis) Oil*, Tamanu (Calophyllum Inophyllum) Seed Oil, Organic Neem (Azadirachta Indica) Oil*, Carrot (Daucus Carota Sativa) Seed Oil, Helichrysum (Helichrysum Italicum) Oil, Palmarosa (Cymbopogon Martinii Var Motia) Oil.

SIZE: 2 fl oz (59ml)

DIRECTIONS:

Apply 1-2 pumps of oil to dry skin. Massage gently into your face and neck. Remove with a warm face cloth. Pat dry and re-apply as a treatment oil and moisturizer.

PAIRS WITH: Elixir, Face Oil No. 4, Orange Blossom Oil, Olive Clay, Marine Mask, and Tomato Creme

TOMATE CLEANSER

You asked, and we listened! For years we’ve had requests for a milk cleanser that is safe to use on sensitive and congestion-prone skin.

This lightweight cleanser will hydrate your skin, balance your pH, and easily clean away excess oil, dirt, and debris. A great daily cleanser for congested, oily, and sensitive skin.

TOMATE CLEANSER

A treatment cleanser that hydrates, corrects, and nourishes the skin

SKIN TYPES: Oily, sensitive, congestion-prone skin

DESCRIPTION:

- A treatment cleanser hydrates, corrects, and nourishes the skin each use
- Balances oil production, improves congestion, and supports a healthy microbiome without drying out the skin.
- A great daily cleanser for congested, oily, and sensitive skin.

KEY INGREDIENTS:

Tomato Lycopene Extract

Papaya Extract

Pineapple Extract

FULL INGREDIENT LIST:

Water (Aqua), Rose Hydrosol (Rosa Damascena) Water, Vegetable Glycerine, Cetearyl Oliviate, Sorbitan Oliviate, Leuconostoc/Radish Root Ferment Filtrate & Lactobacillus & Cocos Nucifera (Coconut) Fruit Extract, Coconut Medium Chain Triglyceride (Caprylic/Capric Triglyceride) Oil, Cetearyl Alcohol, Cetyl Alcohol, Jojoba (Simmondsia Chinensis) Oil, Apricot Kernel (Prunus Armeniaca) Oil, Tomato Fruit/Leaf/Stem (Solanum Lycopersicum) Extract, MSM (MethylSulfonylMethane), Papaya Fruit Extract (Alcohol, Carica Papaya), Pineapple Fruit Extract (Alcohol, Ananas Comosus), Xanthan Gum, Aloe Vera (Aloe Barbadensis) Leaf Juice, Panthenol, Vitamin E (Tocopherol), Benzoic Acid, Sodium Phytate, Rosemary (Rosmarinus Officinalis) Leaf Extract

SIZE: 2 fl oz (59ml)

DIRECTIONS:

Wet your face first then massage 1-2 pumps of cleanser into your face and neck. Remove with a warm cloth, pat your face dry, and follow with your favorite moisturizer. Repeat morning and night.

PAIRS WITH: Elixir, Face Oil No. 4, Orange Blossom Oil, Olive Clay, Marine Mask, and Tomato Creme

ELIXIR

The Elixir is an oil-free, corrective serum that I designed to balance and hydrate all skin types. In 2016, I set out to create a serum that could be used on any skin, no matter the condition, would offer maximum hydration, and become one with your skin. A year later, after much research, and lots of experiments, my Elixir was born. Whether you have acne or oily skin, dull lifeless skin, dry or mature skin, Rosacea or couperose skin, or skin with hyperpigmentation, the Elixir is for you. It is the go-to product if you want bright, healthy skin. Great for helping reduce the appearance of sun damage, and smooth fine lines and wrinkles. I love how it spreads so effortlessly, and easily becomes a part of your skin.

ELIXIR

Lightweight corrective serum to balance and hydrate

SKIN TYPES: All skin types

DESCRIPTION:

- Developed as a lightweight serum for the face that is ideal for all skin types.
- Nourishing and hydrating, this serum protects against Transepidermal Water Loss (TEWL).
- Removes discoloration.
- Nourishes skin and helps retain moisture.

KEY INGREDIENTS:

N-Acetyl Glucosamine
Niacinamide
Sodium Hyaluronate
Kakadu Plum Extract

FULL INGREDIENT LIST:

Water, N-Acetyl Glucosamine, Aspen Bark (Populus Tremuloides) Extract, Niacinamide (Vitamin B3), Vegetable Glycerin, Hyaluronic Acid (Sodium Hyaluronate), Kakadu Plum (Terminalia Ferdinandiana) Fruit Extract

SIZE: 1/2 fl oz (15ml)

DIRECTIONS:

Apply one drop of Elixir to your entire face and neck after you cleanse, and before your Face Oil or Moisturizer. Use twice daily for best results. One drop will cover your face.

PAIRS WITH: Face Oils, Vitamin Creme, Beauty Oil, and Tomato Creme

EYE OIL

Rejuvenating eye oil

SKIN TYPES: All skin types

DESCRIPTION:

- A light but effective eye oil to help reduce puffiness and lighten and brighten the skin.
- Reduce the appearance of fine lines and wrinkles.

KEY INGREDIENTS:

Rosehip Oil
Macadamia Oil
Geranium Oil
Helichrysum Oil
Organic Dehydrasome Pumpkin Papaya

FULL INGREDIENT LIST:

Rosehip (Rosa Canina) Oil, Fractionated Coconut Oil (Caprylic/CapricTriglyceride), Macadamia Nut (Macadamia Ternifolia)Oil, Grapeseed (Vitis Vinifera) Oil, Sunflower Seed(Helianthus Annuus) Oil & Lecithin & Pumpkin Seed(Cucurbita Pepo) Oil & Papain, Vitamin E (Tocopherol),Geranium (Pelargoneum Graveolens) Oil, Helichrysum(Helichrysum Italicum) Oil

SIZE: 1/3 fl oz (10ml)

DIRECTIONS:

Simply roll under the eye and pat around the area. The eyelid is sensitive, so make sure to be gentle!
ProTip: Use as a targeted serum around your lips to help reduce the appearance of fine lines.

PAIRS WITH: Elixir, Vitamin Creme, and Beauty Oil

FACE OILS

No.1 | No.2 | No.3 | No.4 | No.5

FACE OILS N^o.1-5

My energetic Face Oils were inspired by the Five Element Theory of traditional Chinese medicine. The theory outlines the relationship between the different elements in nature and the life force, or “qi,” that flows through them. The Five Element theory describes wood, fire, earth, metal, and water as the basic elements of the material world. These different elements represent a person’s constitutional type, and show me how their skin acts when in balance and when out of balance. These oils are formulated to bring harmony to your skin and emotions. They are vibrant by nature and help balance, soothe, and hydrate. Use one, or rotate between all five, to help get your skin glowing and feeling its best.

SKIN TYPES: Dry, mature skin

DESCRIPTION:

- A vibrant energetic face oil.
- A face oil rich in fatty acids, vitamins, and minerals.
- Protects, revitalizes, and moisturizes the skin without feeling oily.
- Perfect for dry, mature skins.
- Helps to balance, soothe, energize and hydrate skin.
- Face Oil No1. can be used as an eye and lip oil smoothing and hydrating.

KEY INGREDIENTS:

Rosehip Oil, Macadamia Oil, Geranium Oil, Helichrysum Oil, Organic Dehydrasome Pumpkin Papaya

FULL INGREDIENT LIST:

Rosehip (Rosa Canina) Oil, Fractionated Coconut Oil (Caprylic/ CapricTriglyceride), Macadamia Nut (Macadamia Ternifolia)Oil, Grapeseed (Vitis Vinifera) Oil, Sunflower Seed(Helianthus Annuus) Oil & Lecithin & Pumpkin Seed(Cucurbita Pepo) Oil & Papain, Vitamin E (Tocopherol),Geranium (Pelargoneum Graveolens) Oil, Helichrysum(Helichrysum Italicum) Oil

SIZE: 1 fl oz (30ml)

DIRECTIONS:

After cleansing, massage 1-2 drops of oil into the face and neck. Follow with your favorite moisturizer.

PAIRS WITH: Cleanser No.2, Elixir, and Vitamin Creme, Pink Clay, and Marine Mask

SKIN TYPES: Oily skin prone to blackheads, whiteheads, and pigmentation

DESCRIPTION:

- A vibrant energetic face oil.
- A face oil rich in fatty acids, vitamins, and minerals.
- Protects, revitalizes, and moisturizes the skin without feeling oily.
- The perfect blend for oily skin prone to blackheads, whiteheads, and pigmentation.
- Helps to balance, soothe, energize and hydrate skin.

KEY INGREDIENTS:

Grapeseed Oil, Lemon Oil, Cypress Oil, Rosemary Oil

FULL INGREDIENT LIST:

Grapeseed (Vitis Vinifera) Oil, Jojoba (Simmondsia Chinensis) Oil, Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Lemon (Citrus Limonum) Oil, Rosemary (Rosmarinus Officinalis) Oil, Cypress (Cupressus Sempervirens) Oil, Vitamin E (Tocopherol)

SIZE: 1 fl oz (30ml)

DIRECTIONS:

After cleansing, massage 1-2 drops of oil into the face and neck. Follow with your favorite moisturizer.

PAIRS WITH: Clear Skin, Elixir, Beauty Oil, Blackhead Remover, Olive Clay, and Marine Mask.

FACE OILS

SKIN TYPES: Sensitive, red skin

DESCRIPTION:

- A vibrant energetic face oil.
- A face oil rich in fatty acids, vitamins, and minerals.
- Protects, revitalizes, and moisturizes the skin without feeling oily.
- The perfect blend is great for anyone with sensitive and red skin.
- Helps to balance, soothe, energize and hydrate skin.

KEY INGREDIENTS:

Grapeseed Oil, Avocado Oil, Lavender Oil, Ylang Ylang Oil
Rosemary Oil

FULL INGREDIENT LIST:

Grape (Vitis Vinifera) Seed Oil, Organic Jojoba (Simmondsia Chinensis) Oil*, Avocado (Persea Gratissima) Oil, Lavender (Lavandula Angustifolia) Oil, Ylang Ylang (Cananga Odorata) Oil, Organic Rosemary (Rosmarinus Officinalis) Oil*, Vitamin E (Tocopherol)

SIZE: 1 fl oz (30ml)

DIRECTIONS:

After cleansing, massage 1-2 drops of oil into the face and neck. Follow with your favorite moisturizer.

PAIRS WITH: Cleanser No. 3, Elixir, Beauty Oil, Pink Clay, and Marine Mask

SKIN TYPES: Oily, congested skin

DESCRIPTION:

- A vibrant energetic face oil.
- A face oil rich in fatty acids, vitamins, and minerals
- Protects, revitalizes, and moisturizes the skin without feeling oily.
- The perfect blend is great for anyone with oily, congested skin.
- It helps to balance and promote clear skin.
- Helps to balance, soothe, energize and hydrate skin.

KEY INGREDIENTS:

Grapeseed Oil, Jojoba Oil, Eucalyptus Oil, Lemon Oil,
Cypress Oil

FULL INGREDIENT LIST:

Grape (Vitis Vinifera) Seed Oil, Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Organic Jojoba (Simmondsia Chinensis) Oil*, Eucalyptus (Eucalyptus Radiata) Oil, Lemon (Citrus Medica Limonum) Oil, Cypress (Cupressus Sempervirens) Oil, Vitamin E (Tocopherol)

SIZE: 1 fl oz (30ml)

DIRECTIONS:

After cleansing, massage 1-2 drops of oil into the face and neck. Follow with your favorite moisturizer.

PAIRS WITH: Cleanser No.1/No.2, Elixir, Vitamin Creme, Green Clay, and Marine Mask

“I have always struggled with very oily skin, and most moisturizers make it worse. After cleansing with janegee Clear Skin, I use this Bulgarian Rose Face Oil as my moisturizer and have had no issues with a shiny face since! It also smells divine which is an added bonus. Highly recommend this for those that can’t use heavy moisturizers but need a little boost to their skin.”

- janegee reviewer

FACE OILS

Jasmine Rose | Orange Blossom | Bulgarian Rose

SKIN TYPES: Dry skin

DESCRIPTION:

- Hydrating face oil.
- Jasmine and Rose oils combine to hydrate and moisturize dry skin.

DIRECTIONS:

After cleansing, massage 1 to 4 drops into the skin. Repeat morning and night.

PAIRS WITH: janegee Mild/Deep Cleansers, Vitamin Creme

FLORAL WATERS

Signature | Calming | Rose | Tea Tree

FLORAL WATERS

Floral Waters, or pure hydrosols, are a simple way to add minerals and moisture to the skin without having to use heavy serums or applying more moisturizer. I specifically made these to be light, refreshing, and easy to use. Simply spritz your face throughout the day to add hydration and minerals to your skin. Hydrosols are powerful aromatic extracts that are produced when plants are steam-distilled. As steam opens up the cellular pockets of plant material, a wondrous aromatic essence is released and as a result, these waters are infused with beneficial herbal elements as well as micro-molecules of essential oil and nutrients from the whole plant. Good for your skin and gentle enough for your pets.

SKIN TYPES: All skin types

DESCRIPTION:

- A pure blend of hydrosols to mineralize the skin.
- A pure blend of Lavender, Rose, Helichrysum, and Tea Tree hydrosols to hydrate and soothe all skin types.
- Adds minerals and moisture to the skin without having to use heavy serums or creams.

KEY INGREDIENTS:

Lavender Floral Water, Rose Floral Water, Helichrysum Floral Water, Tea Tree Floral Water

FULL INGREDIENT LIST:

Lavender (Lavandula Angustifolia) Hydrosol Water, Rose (Rosa Damascena) Hydrosol Water, Helichrysum (Helichrysum Arenarium) Hydrosol Water, Tea Tree (Melaleuca Alternifolia) Hydrosol Water, Gluconolactone, Sodium Benzoate

SIZE: 2 fl oz (9.85ml)

DIRECTIONS:

Spray your Floral Water after cleansing, and as often as needed throughout the day. Great for added hydration, and post-workout to replenish minerals.

PAIRS WITH: Face Oils, Face Masks, Vitamin Creme

SKIN TYPES: Sensitive, red skin

DESCRIPTION:

- A pure blend of hydrosols to mineralize the skin.
- A pure blend of Rose, Yarrow, and Helichrysum hydrosols to calm and soothe red, reactive skin.
- Adds minerals and moisture to the skin without having to use heavy serums or creams.

KEY INGREDIENTS:

Yarrow Floral Water, Rose Floral Water, Helichrysum Floral Water

FULL INGREDIENT LIST:

Yarrow (Achillea Millefolium) Hydrosol Water, Rose (Rosa Damascena) Hydrosol Water, Helichrysum (Helichrysum Arenarium) Hydrosol water, Gluconolactone, Sodium Benzoate

SIZE: 2 fl oz (9.85ml)

DIRECTIONS:

Spray your Floral Water after cleansing, and as often as needed throughout the day. Great for added hydration, and post-workout to replenish minerals.

PAIRS WITH: Cleanser No. 3, Green Clay Mask, and Marine Mask

DIRECTIONS:

Roll onto problem areas and massage in gently. Repeat morning and night.

PAIRS WITH: Clear Skin, Elixir, and Marine Mask

SWEET STICK

A multi-purpose lip and skin balm

SWEET STICK

This was the first product I ever made! One of my clients complained about having badly blistered lips and asked me to make her a balm. Little did I know that it would be the beginning of our healing journey!

Sweet Stick is a multi-purpose balm that naturally has the most beautiful, subtle scent. Use on dry, blistered lips, any scratch, irritation, bite, eczema, cut, sore, etc. Mums also love it as a nipple cream and for diaper rash.

SKIN TYPES: All skin types

DESCRIPTION:

- Originally developed to help dry, blistered, cracked lips.
- Deeply hydrating and reparative balm.
- Protects against Transepidermal Water Loss (TEWL).
- Soothing and protective.
- Helpful on eczema, scratches, insect bites, diaper rash.

SIZE: Sweet Stick 0.5 oz & Sweet Stick Mini 0.15 oz

DIRECTIONS:

Apply as needed.

PAIRS WITH: N/A

THE FACIAL KIT

Curated to aid the skin in finding its natural rhythm

SKIN TYPES: All skin types

DESCRIPTION:

- This little box is crafted to hold all the tools needed to manage one's skin at home.
- We have made the protocol fun, and easy to incorporate into a weekly self-care practice.
- The kit has all of the products one would need to cleanse, purify, smooth, and tone the skin.

KIT INCLUDES:

- **Balancing Oils** – Yin and Yang oils balance and even out skin tone, promoting a uniform complexion. complexion.
- **Green Clay Mask** –Pure clay tones, refines and cleanses the skin.
- **Linen Face Cloth** – Pure organic linen deeply cleanses.
- **Marine Mask** – Pure bladderwrack seaweed is known to smooth and tone the skin by increasing dermal circulation.
- **Mask Brush** – The perfect brush to mix and apply your masks.
- **Mixing Pot** – The ideal size to easily mix your masks.
- **Rose Floral Water** – The perfect face mist to calm, hydrate, and soothe your skin.

*Please refer to individual product listings for product ingredients.

DIRECTIONS:

Wash your face with your favorite janegee cleanser, rinse, and pat dry.

Apply your Balancing Oils. The Yin Oil goes on any red areas of the skin (ie: cheeks, broken capillaries, etc.). The Yang Oil goes everywhere else, especially on congested areas and acne. Warning: Avoid eye area.

Mix the Marine Mask with water or janegee Floral Water and apply all over your face. Leave it on for 10-20 minutes, then remove with warm water and your linen face cloth. Tip: When mixing the Marine Mask use 1/3rd powder and 2/3rd water or Floral Water. It should resemble pouring cream.

Mix the Clay Mask with water or janegee Floral Water and apply all over your face. Leave it on for 10-20 minutes and then remove with warm water and your linen face cloth and pat to dry. Tip: When mixing the Clay Mask use 2/3rd powder and 1/3rd water or Floral Water. This mask will be much thinner than the Marine Mask.

Apply your favorite janegee face oil, serum, and/or moisturizer

PAIRS WITH: Cleansers, Elixir, and Face Oils

TOMATE CREME

This lightweight daily moisturizer will hydrate your skin and balance your pH to restore radiance. Exceptionally clarifying, Tomate Creme is a powerhouse with a high concentration of tomato lycopene extract, Vitamin C, and herbal infusions that naturally correct and smooth the skin.

TOMATE CREME

Lightweight corrective moisturizer

SKIN TYPES: congested, oily, combination, and sensitive skin.

DESCRIPTION:

- Lightweight daily moisturizer.
- Hydrates, and balances the pH of the skin.
- Naturally corrects and smooths the skin.
- Ideal for congested, oily, combination, and sensitive skin.

KEY INGREDIENTS:

Tomato Lycopene
Coconut Oil
Jojoba Oil
Yellow Turmeric
Sunflower Oil

FULL INGREDIENT LIST:

PAIRS WITH: Elixir, Clear Skin, and Beauty Oil

VITAMIN CREME

I originally made Vitamin Creme for myself. I set out to create a face cream that was light in texture, yet rich in ingredients. I wanted it to hydrate - without leaving my skin oily - while also invoking a youthful glow! Vitamin Creme is the ideal moisturizer for day and night. It is such a lightweight and refreshing cream, while also rich in vitamins and minerals. Exceptionally nourishing, Vitamin Creme is a powerhouse with a high concentration of Vitamin C and a synergistic blend of natural oils and rooibos tea to help soothe and nourish dry skin, while treating the visible signs of aging.

VITAMIN CREME

Antioxidant face moisturizer

SKIN TYPES: Normal to dry, mature skin

DESCRIPTION:

- This lightweight daily moisturizer will hydrate the skin, treat the visible signs of aging, and invoke a youthful glow.
- Exceptionally nourishing, Vitamin Creme is a powerhouse with a high concentration of Vitamin C and herbal infusions.
- Rooibos tea is rich in antioxidants to help reduce the appearance of fine lines, and avocado and jojoba oils help to improve skin tone and texture.

KEY INGREDIENTS:

Avocado Oil

Rooibos Tea Extract

Willow Bark Extract

Panthenol (Vitamin B Complex)

FULL INGREDIENT LIST:

Water (Aqua), Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Vegetable Glycerin, Avocado (Persea Gratissima) Oil, Organic Rooibos (Aspalathus Linearis) Tea Extract, Cetearyl Oliviate, Sorbitan Oliviate, Stearic Acid, Cetyl Alcohol, Cetearyl Alcohol, Organic Jojoba (Simmondsia Chinensis) Oil, Lactic Acid, Xanthan (Xanthomonas Campestris) Gum, Organic Aloe (Aloe Barbadensis) Leaf Juice, Vitamin E (Tocopherol), Vitamin B Complex (Panthenol), Benzoic Acid, Willow (Salix Alba) Bark Extract, Vitamin C (Ascorbyl Palmitate), Organic Neem (Azadirachta Indica) Seed Oil, Rosemary (Rosmarinus Officinalis) Extract

SIZE: 2 oz

DIRECTIONS:

While being light in texture, Vitamin Creme is so rich in ingredients that a small amount goes a long way. Once you have washed your face and applied your serum and face oil, gently press a small amount of Vitamin Creme all over your face. Repeat morning and night.

PAIRS WITH: Cleanser No. 2, Elixir, and Face Oil No. 1

BODY PRODUCTS

02

“Hand washing and using sanitizer has taken a toll on my sensitive hands. Buttercreme has helped to heal and protect them. I am so happy that I found this and other janegee products! I appreciate the quality and care taken in creating all of them.”

- janegee reviewer

BODY LOTION

I went a little crazy making these lotions. My problem was that I could not launch a product with any synthetic chemicals in it and still call it natural. Together with the help of a wonderful scientist, we created these lovely lotions. It took 2 years of hard work in my garage, but I can attest that they were formulated without synthetic chemicals in them, and are hydrating and nourishing for the skin. Lovely, soothing, rich, and easily absorbed into the skin, these are seriously luscious lotions.

BODY LOTION

Bergamot Grapefruit | Lavender | Jasmine Rose | Unscented

SKIN TYPES: All skin types

DESCRIPTION:

This lightweight lotion is extremely hydrating and nourishing for all skin types.

“I cannot get enough of the Lavender Bath Soak. It smells amazing, my bath is so incredibly relaxing, and my skin feels hydrated and soft after. Highly recommend!”

- janegee reviewer

BATH SALTS, SOAKS & BUBBLES

There are very few feelings that compare to the bliss of washing away the physical and mental stress of the day. Relaxing in a warm bath is without a doubt my favorite thing to do. I absolutely love a long soak with Dead Sea Salt, an aromatherapy Bath Soak, or our soothing lavender Bubble Bath. I start the bath off hot with my favorite janegee Bath Bomb or Body Oil, then as the water gets cooler I drop in 1/2 cup of salt or soak with a drop of bubble bath. When the water is warm your body absorbs the minerals, which helps soften your skin.

BATH SALTS

Lavender | Lemon Eucalyptus | Rose Geranium

SKIN TYPES: All skin types

DESCRIPTION:

- A lovely mineral-rich aromatherapy bath salt.
- Pure Sea Salt and essential oil work together to soothe and moisturize dry skin.

KEY INGREDIENTS:

I love this scent, so uplifting and soothing at the same time. I love this in my diffuser or even using a few drops on my dryer balls (got there too!)

- janegee reviewer

ESSENTIAL OILS

Essential oils play an integral part in everything we do at janegee. We love nature and turn to it for help with all our problems and concerns.

Essential oils are aromatic liquids that are extracted from the glands of flowers, leaves, roots, needles, woods, and resins.

These oils offer so many amazing benefits that when used regularly and correctly can create a dramatic and lasting improvement in a person's general health.

Essential oils can address conditions such as:

- *Anxiety and Depression*
- *Muscle Pain and Headaches*
- *Nausea*
- *Insomnia*

Our little guy uses this balm year-round. Our harsh New England winters can be so tough on his paws! We try to put puppy balm on daily to keep his pads soft and to avoid any cracking. During the summer months, this balm is great on his nose or and paws, as walking around on hot pavement or concrete can be harsh for any dog! This product is sure to keep your pup's tail wagging.

- janegee reviewer

PUPPY BALM

Soothe and protect your dog's paws and nose

SKIN TYPES: For dogs of all breeds and ages

DESCRIPTION:

- Protect your dog's paws and nose from exposure to the elements.
- Ice, salt, sand, and rough and hot surfaces can all cause your dog's paws and nose to become dry and damaged.
- Puppy Balm will help heal and protect cracked and dry paws and noses.

KEY INGREDIENTS:

Shea Butter

Beeswax

FULL INGREDIENT LIST:

Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Shea (Butyrosperum Parkii) Butter, Beeswax (Cera Alba), Olive (Olea Europaea) Oil

SIZE: ½ oz

DIRECTIONS:

Apply to your dog's paws and nose as needed.

“I’ve tried multiple brands but my janegee Beard Oil has the best scent/aroma out of all of them, and moisturizes my beard and skin better.”

- jg for men reviewer

BEARD OIL

A moisturizing and nourishing oil for facial hair

SKIN TYPES: All skin types

DESCRIPTION:

- Moisturizes beard hair.
- Promotes healthy hair growth.
- Helps keep beard hair clean and fresh.
- Soothing to irritated skin.

KEY INGREDIENTS:

Lemon Oil

Cedarwood Oil

Pine Oil

Almond Oil

Avocado Oil

FULL INGREDIENT LIST:

Sweet Almond (Prunus Dulcis) Oil, Grape (Vitis Vinifera) Seed Oil, Jojoba (Simmondsia Chinensis) Oil, Avocado (Persea Gratissima) Oil, Pine (Pinus Sylvestris) Leaf Oil, Cedarwood (Cedrus Atlantica) Bark Oil, Lemon (Citrus Limonum) Oil

SIZE: 1fl oz (10ml)

DIRECTIONS:

Apply 2-5 drops of oil to your fingertips and apply to your beard moving from sides to front, underneath, and down through your beard. Follow with a beard comb and comb through your beard in the same manner as above, turning the teeth of the comb in towards the skin. The idea is to get the oil down the hair shaft onto the skin where it can be absorbed.

SKIN TYPES: All skin types

DESCRIPTION:

- A thick and luxurious cream designed to improve skin tone and texture, and soothe dry skin.
- Particularly good on hands, heels, knees, and elbows.
- A reparative cream for dry, cracked hands.

KEY INGREDIENTS:

Shea Butter
Mango Butter
Cocoa Butter

FULL INGREDIENT LIST:

Water (Aqua), Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Shea Butter (Butyrosperum Parkii), Mango Seed Butter (Mangifera Indica), Cetearyl Olivat, Sorbitan Olivat, Vegetable Glycerine, Rose Hydrosol (Rosa Damascena), Cocoa Seed Butter (Theobroma Cacao), Stearic Acid, Witch Hazel (Hamamelis Virginiana), Cetyl Alcohol, Cetearyl Alcohol, Lactic Acid, Benzoic Acid, Vitamin E (Tocopherol), Aloe Extract (Aloe Barbadensis), Xanthan Gum, White Willow Bark Tincture (Alcohol, Salix Alba), Organic Oat Straw Tincture (Aqua, Organic Alcohol, Avena Sativa), Neem Oil (Azadirachta Indica), Rosemary Extract (Rosmarinus Officinalis)

SIZE: 4 oz

DIRECTIONS:

Apply to hands, heels, knees, elbows, or any dry areas of the body to hydrate and soothe your skin.

PAIRS WITH: N/A

FACE MOISTURIZER

Antioxidant face cream

SKIN TYPES: Normal to dry, mature skin

DESCRIPTION:

- This lightweight daily moisturizer will hydrate your skin, treat the visible signs of aging, and invoke a youthful glow.
- Exceptionally nourishing, this moisturizer is a powerhouse with a high concentration of Vitamin C and herbal infusions.
- Rooibos tea is rich in antioxidants to help reduce the appearance of fine lines, and avocado and jojoba oils help to improve skin tone and texture.

KEY INGREDIENTS:

Avocado Oil

Rooibos Tea Extract

Willow Bark Extract

Panthenol (Vitamin B Complex)

FULL INGREDIENT LIST:

Water (Aqua), Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Vegetable Glycerin, Avocado (Persea Gratissima) Oil, Organic Rooibos (Aspalathus Linearis) Tea Extract, Cetearyl Olivat, Sorbitan Olivat, Stearic Acid, Cetyl Alcohol, Cetearyl Alcohol, Organic Jojoba (Simmondsia Chinensis) Oil, Lactic Acid, Xanthan (Xanthomonas Campestris) Gum, Organic Aloe (Aloe Barbadensis) Leaf Juice, Vitamin E (Tocopherol), Vitamin B Complex (Panthenol), Benzoic Acid, Willow (Salix Alba) Bark Extract, Vitamin C (Ascorbyl Palmitate), Organic Neem (Azadirachta Indica) Seed Oil, Rosemary (Rosmarinus Officinalis) Extract

SIZE: 2 oz

DIRECTIONS:

While being light in texture, this face moisturizer is so rich in ingredients that a small amount goes a long way. Once you have washed your face and applied your serum and face oil, gently press a small amount of moisturizer all over your face. Repeat morning and night.

PAIRS WITH: JG Face Wash

FACE WASH

Antioxidant-rich milk cleanser

SKIN TYPES: Normal to dry skin

DESCRIPTION:

- Lightweight milk cleanser.
- Cleans, hydrates, and balances the pH of the skin.

KEY INGREDIENTS:

Methylsulfonylmethane (MSM)

Panthenol

Evening Primrose Oil

Papaya Extract

Pineapple Extract

FULL INGREDIENT LIST:

Water (Aqua), Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Olea Europaea (Olive) Fruit Oil, Vegetable Glycerin, Cetearyl Olivat, Sorbitan Olivat, Organic Rooibos Tea Extract (Alcohol, Aspalathus Linearis), Organic Jojoba (Simmondsia Chinensis) Oil, Stearic Acid, Cetyl Alcohol, Cetearyl Alcohol, Green Papaya (Carica Papaya) Extract, MSM (Methylsulfo-nylmethane), Lactic Acid, Pineapple (Ananas Comosus) Extract, Rosehip (Rosa Rubiginosa) Fruit Oil, Evening Primrose (Oenothera Biennis) Oil, Cranberry (Vaccinium Macrocarpon) Oil, Xanthan (Xanthomonas Campestris) Gum, Organic Aloe (Aloe Barbadensis) Leaf Juice, Vitamin E (Tocopherol), Vitamin B Complex (Panthenol), Benzoic Acid, Vitamin C (Ascorbyl Palmitate), Carrot (Daucus Carota Sativa) Seed Oil

SIZE: 4 fl oz (118ml)

DIRECTIONS:

Wet your face first, apply one pump of cleanser, massage into skin, and remove with a warm face cloth.

PAIRS WITH: JG Face Moisturizer

OIL CLEANSER

A gentle oil cleanser

SKIN TYPES: Oily, congested, acne-prone skin

DESCRIPTION:

- A gentle and effective cleanser, treatment, and moisturizer all in one.
- Balances oil production, improves congestion, and supports a healthy microbiome without drying out the skin.
- Leaves the skin feeling soft, smooth, and healthy.

KEY INGREDIENTS:

Neem Oil
Jojoba Oil
Tamanu Oil
Helichrysum Oil
Palmarosa Oil

FULL INGREDIENT LIST:

Coconut Medium Chain Triglyceride (Caprylic/ Capric Triglyceride) Oil, Organic Jojoba (Simmondsia Chinensis) Oil, Tamanu (Calophyllum Inophyllum) Seed Oil, Organic Neem (Azadirachta Indica) Oil, Carrot (Daucus Carota Sativa) Seed Oil, Helichrysum (Helichrysum Italicum) Oil, Palmarosa (Cymbopogon Martinii Var Motia) Oil.

SIZE: 2 fl oz (59ml)

DIRECTIONS:

Apply 1-2 pumps of oil to dry skin. Massage gently into your face and neck. Remove with a warm cloth, pat your face dry, and re-apply to treat and hydrate.

PAIRS WITH: N/A

SKIN TYPE GLOSSARY

“I have used Clear Skin for the last eight years. It never lets me down. I no longer have any cystic acne breakouts which used to happen a few times a year. I can’t live without this.”

- janegee reviewer

our philosophy is that no two skins are alike.

Your skin changes according to your health, your environment, the climate, the food you eat, dietary changes, etc. It's even possible to have multiple skin conditions at once. This is why it's so hard for many people to find a line of products to help all of their concerns. The goal is to get your skin healthy and strong, so it does all the work for you. We love that glow that comes from within and makes your skin shine! While we recommend seeking a consultation or referring to our online Skin Quiz for custom recommendations, we have paired products that often work well with the following skin conditions.

ALL-SKIN PRODUCTS

- Beauty Oil
- Elixir
- Facial Kit
- Marine Mask
- Olive Clay Mask
- Signature Floral Water

INGREDIENT GLOSSARY

“I have spent my whole life thinking oil was bad for my face. I suffered from acne that nothing seemed to help. janegee has answered all my prayers and has the perfect things for my acne prone skin. I get compliments all the time. I never thought I’d get compliments on my skin!”

- janegee reviewer

Almond (Sweet) Oil

Skin Conditioning

Sweet almond oil is obtained from the dried kernel of the almond tree. Our refined almond oil is a clear light yellow liquid with a bland aroma. It is considered a lightweight oil which is known to be rich in vitamin A, E, and B, as well as Oleic (C18:1) and Linoleic (C18:2) essential fatty acids.

Aloe Juice & Extract

Skin Conditioning

Aloe Vera is a well-known moisturizing agent. It contains vitamin B complex, folic acid, vitamin C, and carotene (a precursor of vitamin A).

Apricot Kernel Oil

Skin Conditioning

Apricot kernel oil is cold-pressed from the kernels of apricots. It closely resembles the skin's sebum and is well tolerated by most skin types. It is moisturizing on dry, sensitive skin, smoothes blemishes, wrinkles, and fine lines. Apricot kernel oil is a quick-absorbing oil and does not leave a greasy residue.

Arnica Flowers/Arnica Extract

Skin Conditioning

Can reduce the appearance of bruises and swelling. Reduces inflammation.

Arrowroot Powder

Thickener

Arrowroot is a powder made from grinding up the rhizomes of the arrowroot plant. It is used as a thickener and binding agent and is excellent at absorbing moisture.

Ascorbyl Palmitate

Antioxidant

Ascobyl Palmitate is a highly bioavailable and fat-soluble form of ascorbic acid (Vitamin C). It works as an antioxidant in formulations. It can help smooth and reduce the appearance of wrinkles and fine lines and even out skin tone.

Aspen Bark Extract

Antimicrobial

Derived from the bark of the Aspen tree, aspen bark extract is rich in salicylates that work as a plant's defense against parasites. It is used as a broad-spectrum preservative that is also gentle on the skin.

Australian Beige Clay

Skin Conditioning/Cleansing

Australian Beige Clay contains essential minerals such as magnesium, calcium, sodium, iron, and potassium. This clay will help cleanse skin and even out skin tone.

Australian Olive Clay

Skin Conditioning/Cleansing

Australian Olive Clay is ideal for oily and acne skin. It cleans out pores, balances oiliness on the skin, and can reduce the appearance of blemishes.

Avocado Oil

Skin Conditioning

Obtained from the seed (pit) of the avocado, avocado oil is rich in vitamins A, B1, B2, D, E, and Beta carotene. It is especially moisturizing on dry skin.

Beeswax

Skin Conditioning, Binding, Viscosity Control

A natural wax secreted by honeybees that is later melted and filtered. It works as a thickener, texturizer, moisturizer, and skin protectant.

Bentonite Clay

Skin Conditioning/Cleansing

A mineral-rich clay with excellent adsorption abilities. It is deeply cleansing to the skin and removes dirt and impurities easily.

Benzoic Acid

Preservative, pH adjuster

Benzoic acid acts as a product stabilizer, emollient, and preservative. It occurs naturally in several different plants, including prunes, cinnamon, cloves, cherry bark, and raspberries.

Benzoin Resinoid

Film Forming, Fragrance

Benzoin Resinoid is a thick, brown, viscous resin extracted from the Benzoin tree (native to Java, Sumatra and Thailand). It is widely used for its fragrant properties, as it has a warm, vanilla-like scent.

Bergamot Essential Oil

Skin Conditioning, Fragrance

Bergamot Oil is cold pressed from the fruit peel of bergamot citrus fruits. The aroma is citrusy, fruity, and sweet.

Black Castor Oil

Skin Conditioning

Black Castor oil is cold-pressed and extracted from roasted seeds of the Ricinus communis plant (whereas traditional castor oil is from un-roasted seeds). Black castor oil has a reddish-brown appearance, a nutty aroma, and a higher pH than standard castor oil. Black Castor Oil is highly moisturizing.

Black Pepper Essential Oil

Astringent, Fragrance

Black Pepper Essential Oil is steam distilled from the dried berries of the black pepper vine. Black pepper is a middle note with a sharp, spicy scent.

Blue Chamomile Essential Oil

Skin Conditioning

Blue Chamomile is steam distilled from the flowers of the German Chamomile plant. It has a distinct bluish green hue due to the azulene that forms in the oil. Blue Chamomile has a sweet, straw-like scent, and can be soothing on irritated skin.

Borage Oil

Skin Conditioning, Emollient

Borage Oil is cold pressed from the seeds of the Borago officinalis plant. It has one of the richest sources of essential fatty acids (in particular gamma linolenic acid-GLA). It works well with other carrier oils due to its oiliness on its own.

Calendula Infusion

Skin Conditioning

Calendula (also known as marigold) flowers are infused in sunflower oil for our formulations. It can reduce redness and irritation, soothe and moisturize skin, and relieve itchiness from various skin conditions.

Carrot Seed Essential Oil

Skin Conditioning

Carrot seed oil is steam distilled from the seeds of wild carrots. Can reduce the appearance of fine lines and wrinkles and soothe skin irritations from dermatitis, eczema, and psoriasis.

Castor Oil

Skin Conditioning

Castor oil is extracted by expeller pressing the seeds of the Ricinus communis plant. It is a highly moisturizing and emollient oil. It is typically used with other carrier oils as it can have a sticky residue on its own.

Cedarwood Essential Oil

Fragrance

Cedarwood oil is steam distilled from the bark of the Juniperus ashei/mexicana tree. It has a strong, balsamic, spicy wood scent.

Cetearyl Alcohol

Emulsion Stabilizing, Viscosity Controlling, Skin Conditioning-Emollient

Cetearyl alcohol is a blend of the fatty alcohols cetyl alcohol and stearyl alcohol. These fatty alcohols come from coconut and palm oils. Cetearyl alcohol helps prevent emulsions

from separating, and can also increase the thickness of an emulsion.

Cetyl Alcohol

Emulsion Stabilizing, Viscosity Controlling, Skin Conditioning-Emollient

Cetyl alcohol is a fatty alcohol derived from coconut or palm oils. Cetyl alcohol helps to homogenize emulsions, as well as act as an emollient. It can help impart smoothness to a cosmetic formula.

Cinnamon Bark Essential Oil

Fragrance

This essential oil is steam distilled from the bark of the Cinnamomum zeylanicum tree. It is a middle note with a warm, spicy scent.

Cinnamon Leaf Essential Oil

Fragrance

This essential oil is steam distilled from the leaves of the Cinnamomum zeylanicum tree. It is a middle note with a warm, spicy, herbaceous scent.

Citric Acid

pH adjuster, Preservative booster

Citric acid is a naturally occurring, weak organic acid. It is commonly used as a preservative or pH adjuster in formulations. Citric acid can be found in several different plants and fruits. Our citric acid is produced from glucose syrup derived from cassava.

Clary Sage Essential Oil

Fragrance

This essential oil is steam distilled from the leaves and flowers of the Salvia sclarea L. plant. It's a middle note with a fresh, earthy, floral, and herbaceous aroma.

Clove Bud Essential Oil

Fragrance

Clove Bud essential oil is steam distilled from the buds of the clove evergreen tree. It is a middle note that smells like the traditional clove spice.

Coconut Oil (Fractionated)

Skin Conditioning

Fractionated coconut oil is made up of medium chain triglycerides from coconut oil. It is a mild and highly stable oil high in antioxidants. Fractionated coconut oil is an effective moisturizer that is well tolerated by most skin types.

Cocoa Butter

Skin Conditioning, Skin Protecting

Cocoa butter is extracted from the cacao bean with a nutty, chocolatey scent. Cocoa butter is extremely nourishing and hydrating, and improves the elasticity of the skin. It can reduce redness and irritation from eczema and dermatitis.

Coconut/Soy Wax

A blended wax made from the meat of the coconut and soy. This wax has a longer and cleaner burn time than most other waxes, and has a better scent throw than standard soy.

Corn Oil

Skin Conditioning

A cold-pressed oil extracted from the germ of corn. Corn oil is high in linoleic acid and Vitamin E, which helps protect the skin from free radicals. Corn oil is easily absorbed by the skin and promotes moisture retention.

Corn Starch

Absorbent, Viscosity Controlling

Corn starch is derived from the peeled seeds of corn and is a light, white powder. It is excellent at absorbing moisture and thickening formulas.

Cranberry Seed Oil

Skin Conditioning

Expressed from the seeds of cranberries, Cranberry seed oil is high in omega-3 and omega-6 fatty acids. It is high in antioxidants and very stable. This oil fights against oxidative damage and helps keep the skin's barrier healthy. Cranberry seed oil absorbs into skin quickly, and leaves skin soft and smooth.

Cypress Essential Oil

Fragrance, Skin Conditioning

This essential oil is steam distilled from the needles/leaves of the Cypress tree, an aromatic evergreen. It has a warm, dry, and woody scent.

Dead Sea Salt

Humectant, Skin Conditioning

Derived from the Dead Sea, this sea salt has greater concentrations of minerals than any ocean. Dead sea salt is high in magnesium, bromides, iodine, sodium, calcium, and potassium. It is effective at soothing dry skin, reducing redness and irritation, and helping skin hold moisture.

Devil's Claw Infusion

Skin Conditioning

Devil's claw is an herb from a plant native to South Africa. It gets its name from the odd, hook shaped flowers that can resemble a hand or claw. Devil's claw can be used in skincare to reduce the signs of inflammation, sores, and redness.

Emu Oil

Skin Conditioning

Emu Oil is obtained from the fat of the emu bird. It is extremely nourishing and moisturizing. It can also help deliver other ingredients deeper into the skin as it has excellent skin penetrative properties.

Epsom Salt

Viscosity Controlling

Epsom Salt (magnesium sulfate) is commonly used in bath soaks and salts for his conditioning and cleansing abilities. It helps scrub away excess oil and dirt without stripping the skin.

Eucalyptus Essential Oil

Perfuming, Skin Conditioning

Eucalyptus (Globulus) Essential oil is steam distilled from the leaves of the eucalyptus plant. Eucalyptus has a strong and distinct herbaceous scent with woody undertones.

Fir Needle Essential Oil

Perfuming

Fir needle oil is steam distilled from the needles of the Abies siberica tree. It has a crisp, strong scent of the fir tree.

Frankincense Essential Oil

Fragrance, Skin Conditioning

Frankincense Essential Oil is steam distilled from the resin of the Boswellia serrata tree. It has a warm, spicy, woody scent.

French Green Clay

Skin Conditioning

French Green Clay is from the sediment of silico-aluminum, with the green color resulting from the oxides present. Green clay absorbs impurities, dirt and oil from the skin. When used as a mask, it can tighten and tone and give the appearance of smaller pores.

French Pink Clay

Skin Conditioning

French Pink Clay is a mix of red and white clays and is very gentle on sensitive skin. Its unique composition includes Kaolinite, Iron, Illite, Montmorillonite, and Calcite. French Pink Clay helps to cleanse and leave the skin toned and refreshed.

Geranium Essential Oil

Fragrance

Geranium Essential Oil is steam distilled from the leaves and flowers of the Geranium plant (Pelargonium graveolens). Its main constituent is Citronellol and has a strong floral aroma that blends well with many other oils.

Ginger Essential Oil

Fragrance, Perfuming, Skin Conditioning

Ginger essential oil is steam distilled from the dried and macerated roots of the ginger plant. Its main constituent is α-Zingibarene. It is a middle note with a warm, spicy, woody scent.

Glycerine

Humectant, Skin Conditioning, Skin Protecting, Solvent,

Viscosity Controlling

Glycerine is a viscous humectant that is excellent for retaining moisture. It is derived from a variety of plant sources, including soy, sunflower, flax, and palm. Glycerine attracts water from the air to the skin and makes an excellent solvent for other raw materials.

Grapeseed Oil

Skin Protecting

Grapeseed oil is cold pressed from the seeds of wine grapes. It is a light and easily absorbed oil with a satiny finish. It is non-comedogenic and works well for acne and oily skin.

Helichrysum Essential Oil

Fragrance, Perfuming

Helichrysum oil is steam distilled from the flowers of the Helichrysum italicum plant. It is also known as "everlasting" or "immortal" due to the fact that the color of the flowers lasts long after they've been picked and dried. Helichrysum has a medium, fresh, and herbaceous scent with an earthy base note.

Hemp Seed Oil

Antimicrobial, Antioxidant, Skin Conditioning

Hemp Seed Oil is cold pressed from the grains of the Cannabis sativa oil. It has a fairly distinct golden, green color. It is high in omega fatty acids and proteins. Hemp seed oil absorbs at a medium rate and replenishes and protects the skin's barrier. Hemp seed oil can help reduce the appearance of aging, as well as reduce signs of inflammation.

Honey

Humectant, Skin Conditioning

Honey is the natural secretion produced by honey bees. Raw and organic honey retains beneficial nutrients, antioxidants, and beneficial bacterias. When used in cosmetics, honey helps reduce signs of inflammation on sensitive and reactive skin, and helps hold moisture in the skin. Idea for dry, sensitive, and reactive skin.

Illipe Nut Butter

Skin Conditioning, Emollient

Illipe Nut Butter is cold pressed from the seeds of the Illipe tree. It is high in fatty acids and is a close substitute to

cocoa butter. It is extremely nourishing and moisturizing on dry skin.

Jasmine Absolute

Antimicrobial, Skin Conditioning

Jasmine Absolute is extracted from the flowers of the Jasminum grandiflorum plant, which blooms in the early mornings. Jasmine Absolute has a very strong floral aroma, and blends with other florals and woody scents.

Jojoba Oil

Hair Conditioning, Skin Conditioning, Emollient

Jojoba oil is a unique substance as it is a liquid wax obtained by cold pressing the seeds from the shrub Simmondsia chinensis. It is chemically very similar to the skin's own sebum and is well-tolerated by almost all skin types.

Juniper Berry Essential Oil

Fragrance, Perfuming

Juniper Berry Essential Oil is steam distilled from the berries of the Juniperus communis shrub. It has a fresh, rich balsamic scent reminiscent of pine needles.

Lactic Acid

Humectant, Skin Conditioning

Lactic acid is a naturally occurring alpha hydroxy acids (or AHAs) produced by fermentation of sugars. It is used for its hydrating properties, as well as to adjust pH in cosmetics.

Lavender Essential Oil

Fragrance

Lavender essential oil is steam distilled from the flowers of the Lavandula Angustifolia plant in Bulgaria. It has a mellow, floral scent that is popular and well-tolerated.

Lavender Hydrosol

Skin Conditioning

Lavender Hydrosol water is steam distilled from the lavandula angustifolia plant. Hydrosol waters have similar properties to essential oils but are much less concentrated and more gentle.

Lemon Essential Oil

Fragrance, Perfuming

Lemon Essential oil is cold pressed from the peel of the citrus limon fruit. It has a strong, bright, lemony scent that blends well with other citruses.

Lemongrass Essential Oil

Fragrance

Lemongrass essential oil is steam distilled from the leaves of the lemongrass (Cymbopogon flexuosus) plant. It has a fresh, earthy, citrusy scent.

Lime Essential Oil

Fragrance, Skin Conditioning

Lime Essential Oil is team distilled from the peels of young limes. It has bright, citrusy scent with a dry, camphorous note.

Macadamia Nut Oil

Skin Conditioning, Emollient

Macadamia nut oil is expeller pressed from the kernels of the macadamia nut tree. It is high in palmitoleic and linoleic acid. Macadamia nut oil is readily absorbed and is an excellent emollient.

Magnesium Carbonate

Absorbent, Binding, Bulking

Magnesium Carbonate is refined from a mined inorganic salt. It is often referred to as “chalk” and is an excellent drying agent.

Magnesium Chloride

Viscosity Controlling

Magnesium Chloride is extracted from the brine of Dead Sea Water. Magnesium helps skin barrier function and hydration. It can help reduce acne, calm sensitive skin, and reduce redness from rosacea.

Mandarin Essential Oil

Deodorant, Fragrance, Perfuming

Mandarin essential oil is cold pressed from the peel of the mandarin fruit. Mandarin essential oil has a fresh, sweet scent that is reminiscent of oranges.

Mango Butter

Skin Conditioning

Mango butter is extracted from the seed of the mango. Mango butter is rich in antioxidants and vitamins A and E. It is highly moisturizing and nourishing on dry, rough skin.

Marjoram Essential Oil

Perfuming

Marjoram essential oil is steam distilled from the flowers and leaves of the wild marjoram (thymus mastichina) plant. It is a middle note with a warm, spicy aroma.

May Chang Essential Oil

Fragrance, Perfuming, Tonic

May Chang, also known as Litsea Cubeba essential oil, is steam distilled from the litsea cubeba fruit. It has a crisp, citrus smell and makes a great anchor for other citrus scents.

Meadowfoam Seed Oil

Skin Conditioning

Meadowfoam seed oil is cold pressed from the seeds of Meadowfoam (Limnanthes alba) plant. Meadowfoam is an incredibly stable oil due to its high content of natural tocopherols. It contains about 98% long chain fatty acids, and is incredibly moisturizing and rejuvenating. It absorbs easily into the skin and can leave a silky smooth feeling.

Mediterranean Sea Salt

Skin Conditioning

Mediterranean Sea Salt is harvested off the coasts of Italy and Spain. It contains trace minerals such as iodine, magnesium, and potassium. Sea salt is nourishing and soothing on dry skin.

Myrrh Essential Oil

Fragrance, Skin Conditioning, Tonic

Myrrh Essential Oil is steam distilled from the Myrrh (Commiphora myrrha) plant. It has a warm, rich, spicy scent.

Myrtle Essential Oil

Fragrance, Tonic

Myrtle Essential oil is steam distilled from the leaves and twigs of the Myrtle (Myrtus communis) plant. It has a fresh, clear scent, with a camphorous note similar to eucalyptus.

N-Acetyl Glucosamine

Skin Conditioning

N-Acetyl Glucosamine (NAG) is a skin-identical ingredient and is found in our skin in between the cells. NAG helps maintain the skin’s barrier and helps the skin retain moisture. Other benefits to NAG are decreased appearance of wrinkles, lightening of pigmentation, reduces Transepidermal Water Loss (TEWL), improves skin hydration, and improves skin healing.

Neem Oil

Skin Conditioning

Neem oil is expeller pressed from the seeds of the Neem tree (Azadirachta indica) plant. It has a unique composition of triglycerides and unsaponifiable matter. In Ayurvedic medicine, neem oil is often used to treat acne, eczema, and psoriasis. Neem oil is recommended for use on dry, inflamed, and irritated skin.

Neroli Essential Oil

Perfuming

Neroli Essential Oil is steam distilled from the blossoms of the bitter orange tree (Citrus aurantium). Neroli has a beautiful, dry scent that is a mix of citrus and floral.

Niacinamide (Vitamin B3)

Smoothing

Niacinamide is found naturally in eggs, milk, brewer’s yeast, and cereals. In skincare preparations, niacinamide can help reduce sebum production, and reduce the inflammation caused by acne lesions. It can also reduce fine wrinkles and pigmented spots.

Niaouli Essential Oil

Fragrance

Niaouli Essential Oil is steam distilled from the leaves and twigs of the evergreen Melaleuca quinquenervia plant. It has a fresh, sweet, camphorous smell.

Oat Straw Extract

Skin Conditioning

Oat Straw Extract comes from the grassy blades of Avena sativa plant (common oat). Oat straw acts to calm inflammation and irritation, making it ideal on sensitive skin formulations. Oat Straw is rich in silica, which softens the skin.

Olive Oil

Skin Conditioning

Olive oil is cold pressed from the fruit of the olive tree. Olive oil is rich in oleic acid, making it ideal on dry and irritated skin. Olive oil helps to prevent Transepidermal Water Loss (TEWL), and helps maintain a healthy skin barrier.

OliveM1000

Emulsion Stabilising, Skin Conditioning-Emollient, Surfactant

OliveM1000 is a blended material made of cetearyl olivate and sorbitan olivate; both derived from olives. This blend works as an emulsifier, and is a complex blend of fatty acids that form a structure similar to the composition of the skin’s surface. OliveM1000 also adds moisture and can help soften the skin.

Orange (Sweet) Essential Oil

Perfuming

Sweet Orange Oil is cold pressed from the peel of the sweet orange (Citrus sinensis) plant. It has a sweet, citrus smell very much like the fruit it comes from.

Pacific Sea Salt

Abrasive, Humectant, Skin Conditioning

Our Pacific Sea Salt is harvested off the coast of northern California. Sea salt is soothing and nourishing on dry skin and is an excellent base for bath soaks and salts.

Palmarosa Essential Oil

Fragrance, Skin Conditioning, Tonic

Palmarosa Essential Oil is steam distilled from the wild, grassy, Cymbopogon martinii plant. It has a sharp, floral

smell and can help extend the scent of other, lighter oils.

Panthenol

Skin Conditioning

Panthenol is a form of Vitamin B5, a vitamin found in all living cells. When used in skincare, it is readily absorbed and converted to pantothenic acid, a component of healthy skin and hair. Panthenol can help reduce itching, inflammation, and dryness. Over time it will help reduce water loss in the skin, leaving skin more hydrated and moisturized.

Papaya Extract

Skin Conditioning

Papaya Extract comes from the fruit of the papaya tree. It helps balance oiliness in the skin and is a natural source of Vitamin A, which helps slough off dead skin in the upper layer of the skin and leave a glowing complexion.

Patchouli Essential Oil

Fragrance

Patchouli Essential Oil is steam distilled from the leaves of the Pogostemon cablin plant. Patchouli is a base note with an earthy aroma and is an excellent anchor that helps extend other oils.

Peppermint Essential Oil

Fragrance, Perfuming, Tonic

Peppermint Essential Oil is steam distilled from the leaves of the Peppermint (Mentha piperita) plant. It has a sharp, menthol-like smell.

Pine Scotch Essential Oil

Fragrance, Perfuming

Pine Scotch Essential Oil is steam distilled from the leaves and twigs of the Pine (Pinus sylvestris) tree. It has a strong, woody, evergreen scent.

Pineapple Extract

Skin Conditioning

Pineapple extract contains the enzyme bromelain, which helps gently exfoliate off dead skin cells. It also has astringent properties and can help tighten and tone the skin.

Pink Himalayan Salt

Bulking, Viscosity Controlling

Pink Himalayan is mined from the foothills of the Himalayan mountain range. Much like table salt, its main component is sodium chloride, but unlike table salt, trace minerals are left intact. This salt gets its light pink to reddish hue from the traces of iron from where it is mined. Himalayan salt is known to nourish and soften skin.

Sandalwood Essential Oil

Fragrance

Sandalwood Essential Oil is steam distilled from the wood of the Sandalwood tree. It is a strong base note with a soft, sweet, rich, woody aroma.

Seaweed Powder

Skin Conditioning

Seaweed powder is harvested from bladder wrack seaweed, which is native to the Northeast United States and Canada. Seaweed powder is rich in vitamins B12 and E, amino acids, and trace minerals. Seaweed powder is an effective cleanser and purifier. When applied to the skin, it helps slough off dead skin, and gives skin a revitalized and glowing appearance.

Shea Butter

Skin Conditioning, Viscosity Controlling

Shea butter is extracted from the shea nut. Shea butter is known for its moisturizing and emollient properties. It is rich in vitamins and fatty acids. Shea butter is excellent on dry, irritated, and allergy-prone skin, and can help restore the lipid barrier on the skin.

Sodium Bicarbonate

Abrasive, Deodorant, Skin Protecting

Sodium Bicarbonate (also known as baking soda) is harvested from trona, a type of rock typically found in evaporated lake beds. It has multiple uses, including pH adjusting, deodorizing, and fizzing agent.

Sodium Lauryl Sulfoacetate

Cleansing, Foaming, Surfactant-Cleansing

Sodium Lauryl Sulfoacetate (SLSa) is a gentle surfactant derived from coconut. It creates a lot of gentle foam and bubbles, and is much less irritating to the skin than sulfates.

Soybean Oil

Skin Conditioning, Emollient

Soybean oil is high in lecithins, sterolins and vitamin E. It has a light skin feel and spreads well. It is well-suited for dry, sensitive, and irritated skin.

Spanish Sage Essential Oil

Fragrance

Spanish Sage Essential Oil is steam distilled from the leaves of the sage plant (Spanish variety). It has a fresh, herbaceous, camphorous scent.

Spearmint Essential Oil

Fragrance, Skin Conditioning

Spearmint Essential Oil is steam distilled from the leaves of the spearmint plant. It has a strong, minty smell with a hint of sweetness.

Stearic Acid

Cleansing, Emulsion Stabilizing, Refatting, Surfactant-Cleansing, Surfactant-Emulsifying

Stearic acid is a fatty acid derived from various vegetable oils. It helps to thicken and stabilize emulsions, while also improving the silkiness and glide of a product.

Safflower Oil

Skin Conditioning

Safflower oil is expeller pressed from the seeds of the safflower plant. It is a light and quick-absorbing oil, high in linoleic acid. It is a good choice on oily and acne-prone skin. The phytosterols present in safflower oil can help soothe red, irritated, and inflamed skin.

Sunflower Oil

Skin Conditioning-Emollient

Sunflower oil is cold pressed from the seeds of the sunflower plant. Sunflower oil is high in vitamins A, B, D, E, and minerals. It is easily absorbed into the skin, and is soothing on dry, irritated, and inflamed skin.

Tamanu Oil

Antimicrobial, Antioxidant, Hair Conditioning, Skin Conditioning

Tamanu oil is cold pressed from the fruit of the Tamanu tree. Tamanu oil revitalizes and enhances skin health. Tamanu contains phospholipids and glycolipids, which contribute to the healthy glow of skin. Tamanu oil is soothing on inflamed and irritated skin, and is great when added to acne formulations.

Tea Tree Essential Oil

Antioxidant, Perfuming

Tea Tree Essential Oil is steam distilled from leaves of the tea tree plant (native to Australia). Tea tree has a fresh, slightly medicinal smell with woody, camphorous notes.

Thyme (White) Essential Oil

Skin Conditioning

White Thyme Essential Oil is steam distilled from the leaves of the Thymus zygis plant. It has a high percentage of thymol, and a powerful herbaceous scent.

Wheat Germ Oil

Skin Conditioning-Emollient

Wheat Germ Oil is rich in vitamins A, B, D, E proteins, and lecithin. It is highly nourishing for dry, aging, and mature skin. Wheat Germ Oil can help even out skin tone and reduce the appearance of lines.

White Turmeric

Skin Conditioning

White turmeric comes from rhizomes of the Curcuma zedoaria plant. It can calm redness and inflammation, and is high in antioxidants that protect skin from external stressors.

White Willow Bark Extract

Astringent, Skin Conditioning, Soothing, Tonic

White Willow Bark is processed from bark of young White Willow trees. Its main constituent, salicin, is isolated and replicated for use in aspirin. For skin, it can help purify and cleanse the skin and balance oil production.

Witch Hazel

Astringent, Skin Conditioning

Witch Hazel is steam distilled from the leaves of the Hamamelis Virginiana plant. It acts as a gentle astringent and helps to cleanse the skin without drying it out. Witch hazel helps balance oil production and calms inflammation.

Xanthan Gum

Binding, Emulsion Stabilizing, Skin Conditioning, Viscosity Controlling

Xanthan Gum is a sugar based thickener produced by the bio-fermentation of Xanthomonas campestris and either sucrose or glucose. When used in emulsions, it will help stabilize, thicken, and improve the feel.

Yarrow Hydrosol Water

Fragrance

Yarrow Hydrosol water is a steam distillation of the Achillea millefolium flower. Yarrow can calm redness and inflammation in skin.

Ylang Ylang Essential Oil

Fragrance, Perfuming

Ylang Ylang Essential Oil is steam distilled from the flowers of the Cananga odorata plant. It has a sweet, exotic, floral scent that is highly sought after for perfuming.

Zinc Ricinoleate

Deodorant

Zinc Ricinoleate is an effective deodorant base made from the zinc salt of ricinoleic acid (from castor oil). It traps and absorbs odor without interfering with the natural flora of the skin.
