Assembly Instructions
Adult assembly required

Included Hardware:

CAUTION: Inspect for damage and missing parts before and after use. If damaged, do not use.

Product is designed and intended for use by one child at a time only. Parental supervision is recommended to prevent other child/person from getting too close while The Big Dig & Roll® is in use. Max weight of child using The Big Dig & Roll must not exceed 110 lbs.

FOR BEST RESULTS: The Big Dig & Roll works best on level ground in sand, dirt or grass.

CAUTION: Skill is required to avoid falls or collisions causing injury to the user or third parties.

1 BOOM ASSEMBLY Slide both pieces together and screw into place with washers as illustrated below. Then, tighten the Locking Nut onto the end of the screw.

Tools Required:

- Screwdriver
- Wrench

TOP VIEW BOOM ASSEMBLY

Boom Stickers
Place on the UPPER boom arm before connecting to the stem. Begin placing the sticker on the handle side of the boom arm after the rivet and approximately 1" from the end. Repeat on other side.

Labels in diagram: Locking Nut, Boom Arm, Boom Arm, 3 Big Washers, 2 Small Washers

2 SEAT ASSEMBLY Turn The Big Dig & Roll upside down and slide the seat onto the metal plate, making sure the plate is inside the grooves on the underside of the seat.

3 SEAT ASSEMBLY

Slide a washer onto each of the four small screws and screw the plate firmly onto the seat.

4 BASE ASSEMBLY Leave The Big Dig & Roll upside down and fit the base onto the stem. Part of the stem will protrude from the base.

5 BASE ASSEMBLY Use Linchpin for easy assembly and disassembly.

Place The Big Dig & Roll right side up.

6 WHEEL ASSEMBLY

1. Slide washer onto axle
2. Slide wheel onto axle
3. Slide another washer onto axle
4. Slide lock washer onto axle and tap plastic tube with hammer
5. Place cap onto end of axle and tap plastic tube with hammer

WARNING: CHOKING HAZARD - Small parts. Not for children under 3 years.

Weight limit: 110 lbs.

WARNING: ADULT ASSEMBLY REQUIRED - Unassembled toy contains parts that may have sharp points and sharp edges. Keep away from children under 8 years until fully assembled.

CAUTION: ADULT SUPERVISION RECOMMENDED - As always read instructions before use.
