FRANCHISE OPPORTUNITY

Opening a neighborhood Patisserie Jareer presents a lucrative opportunity. If you possess an entrepreneurial spirit, a commitment to customer satisfaction, and a passion for pastries and sweets, exploring the Patisserie Jareer Franchise might be a perfect match for your ambitions.

Backed by exclusive recipes, a wide range of desserts, a proven training model, and a 70-year track record of success in the Saudi Market, we offer franchise owners a fulfilling business opportunity, with a projected return on investment (ROI) ranging between 25-35%, based on company historical data.

Franchise Profile & Requirements

1. Investment of 600-800 thousand SAR
2. Relevant experience and dedication
3. Ambitious personality with strong discipline and perseverance

Committed to empowering franchise owners, our dedicated team provides comprehensive support at every crucial juncture, encompassing site selection, store design, construction, training, operations, product development, logistics, distribution, advertising, marketing strategies, and all needed support.

HERE'S HOW IT WORKS

01 Discussion and Application

Initiate conversations with our franchise development team, share your aspirations, and submit your franchise application.

02 Pre-Qualification and Due Diligence

Once pre-qualifications are met; our team will commence the due diligence process.

03 Franchise Disclosure Document and Background Check

The franchise team will review the FDD, arrange a call for document review, and undergo a background check.

04 Final Review and Approval

Upon executive team approvals, receive the franchise agreement and officially join the Patisserie Jareer family.

05 Discovery Day and Executive Meeting

Meet with the executive committee via video call, followed by a virtual discovery day.

06 Site Selection and Site Approval

Our real estate and construction team assists in finding an ideal site, initiating an extensive training program upon lease signing.

07 Grand Opening

Operations and marketing teams collaborate to finalize details for a successful grand opening.

W H Y P A T I S S E R I E J A R E E R

With over 70 years of operational experience, Patisserie Jareer offers expertise in each crucial phase. Franchisees will benefit from a proven model, a skilled leadership team, and exclusive territory development.

The franchisee will enjoy a wide high quality variety of freshly baked products ranging from:
Western pastries, Arabic sweets, premium chocolate, ice cream, petit fours, salted pastries and mixed nuts...

Qualities Patisserie Jareer Looks for in Franchisees

We seek well-capitalized partners enthusiastic about establishing premium pastry shops at the heart of their community. Franchisees must have a passion for our diverse products, exceptional customer service, and leadership skills.

The Jareer café concept can also be included in the franchise agreement.

Training and Support for Franchise Owners

Owners undergo an extensive eight-week training program before opening. Patisserie Jareer provides onsite support during initial weeks and continuous assistance for ongoing operations and additional training.

Embark on this exciting journey with Patisserie Jareer and make your dream of owning a neighborhood pastry shop a reality.
