⚠ WARNING: Keep this bag away from babies and children. Do not use in cribs, beds, carriages, or playpens. The thin film may cling to nose and mouth and prevent breathing. This bag is not a toy.

INSTRUCTIONS: Diaper Genie®* and Safety 1st®* pails require the adapter ring to secure the bag in place, please follow the steps below for use. For all other pails, please refer to the pails instruction manual.

1. Insert bag into pail.

2. Place ring inside bag opening and push down to secure.

3. Ready to use.
