## What's In The Name

Located in close proximity to the Great Abaco Canyon, Jurassic Park Is an area of defined bottom structure that is about 10 miles off Man O War Cay. This area is known for large Marlin and plenty of them. That job calls for a large true Running bait like the Jurassic Classic.

# Highbourne Hellion

## Lure Specifications

Class: Small  
Weight:  
Insert:  
Aluminum  
Face: Cupped  
Entry: Center  
Price: \$18.00

## What's In The Name

Highbourne Cay is known world-wide as the gateway to the ultimate ephemeral islands – The Exuma Cays. Uniquely, the privately owned island welcomes yachtsmen and guests to its first-class marina and luxury cottages. You can literally leave the marina and drop the riggers. Mahi populations are vast. Pink and white run on the long rigger is always the hotspot. This area is also known to produce an occasional sail.

# Rum Chum

## Lure Specifications

Class: Medium  
Weight:  
Insert: Aluminum  
Face: Slant Cupped  
Entry: Center  
Price: \$45.00

## What's In The Name

Rum Cay is often overlooked as a fishing destination. Located in the area of wahoo destinations like Cat cay and San Salvador Rum provides opportunity for Big wahoo. Rum Chum is a true running bait with periodic diving action when trolled on the face of wake.

# Salvador Dolly

## Lure Specifications

Class: Medium  
Weight:  
Insert: Aluminum  
Face: Flat Torpedo  
Entry: Offset  
Price: \$39.00

## What's In The Name

San Salvador is known to experienced anglers as "The Home Of The HOO". While setting out to make a Top Notch Resin Wahoo Head, we also created a foul weather lure that will run true in the worst conditions. This lure has a full length aluminum insert but still had the flash of a lure with insert designs. This lure is a must have in all conditions.

# Man O War

## Lure Specifications

Class: Large  
Weight:  
Insert:  
Aluminum  
Face: Flat  
Entry: Center  
Price: \$47.00

## What's In The Name

Man O War Cay is located at the nexus of a vast fishery. Just a short trip from the marina to Jurassic Park, The Abaco Canyon, Hole In The Wall and Diana's Bank. The Island is Quaint and friendly. It is a quiet place to stay while fishing the area.

## Bridge Buster

### Lure Specifications

Class: Medium  
Weight:  
Insert: Aluminum  
Face: small Slant  
Entry: Offset  
Price: \$34.00

### What's In The Name

"The Bridge" is an impressive reef system connecting Eleuthera Point to Little San Salvador. It divides the Atlantic Ocean and Exuma Sound for the nine miles between the two Islands. From Powell Pointe Marina, it's about a 20 mile run down to Eleuthera Point and The Bridge. This is blue marlin country, given this structure and sharply descending bottom on both sides, mixing of currents and bait accumulations. Peak blue marlin season here is April, May and June, although blues have been caught virtually every month of the year off Cape Eleuthera.

## Hole In The Wall Hornet

### Lure Specifications

Class: Medium  
Weight:  
Insert:  
Aluminum  
Face: Flat  
Entry: Offset  
Price: \$37.00

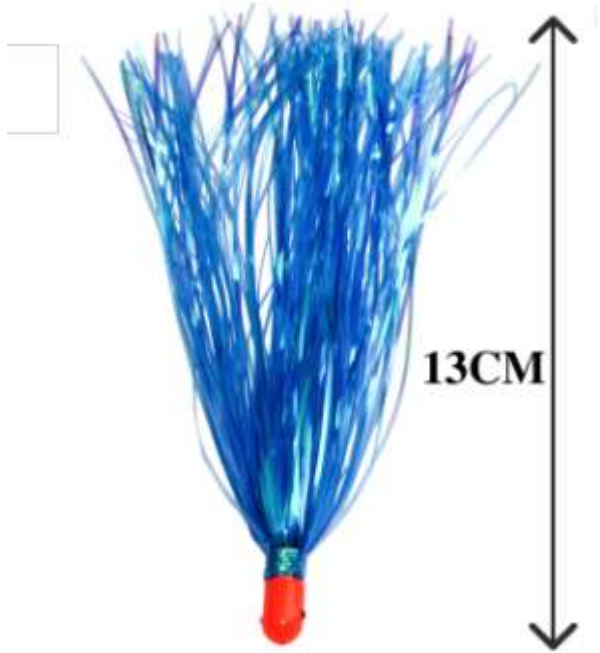

### What's In The Name

Home of a truly unique geological formation, the lighthouse is known as one of the oldest lighthouses in The Bahamas. Located at the southern tip of the Abacos this fusion of currents produces one of the most diverse fisheries in the area.
