

SPECIFICATION SHEET

AKT-300 KEVLAR LINED DUTY GLOVE

AKT GEAR

The AKT-300 leather glove is a favorite currently used by correction and law enforcement across Canada. The premium leather features a water- and fade-resistant treatment for long lasting wear. Moderate cut resistance is provided by the 100% KEVLAR® knit lining.

Testing meets BSI and was completed at CTT in St-Hyacinthe Quebec. This glove is made of goatskin leather with a Kevlar cut-resistant knit lining. Works well in all weather conditions, it is a favorite for its simple design, quality, and moderate cut resistance features. The quality leather material features a treatment for long-lasting wear. Wrist-length cuff features encased elastic for a better fit during cold weather. PSP offers a lifetime warranty on manufacturers defect.
