

CaféWorks™ Café & Bistro Tables and Seating

Gather. Unwind. Collaborate.

CaféWorks™ Café & Bistro Tables and Seating

Tables that bring people together for a quick meeting or impromptu coffee break. 1-1/8" thick, wear-resistant Melamine top with T-mold edge. Sleek & contemporary, sturdy all steel base with powder-coated Silver finish. Adjustable feet help compensate for uneven flooring. Melamine sealed underside to prevent moisture absorption.

Chairs are ergonomically designed for comfort and contemporary style. The seat pan and seat back are constructed of blow-molded high-density Polyethylene. They are durable, dent and scratch resistant and easy to clean. The frame is heavy gauge, 1" diameter, powder-coated, steel tube with non-mar feet.
