Combination

Ingenuity Collaboration Boards are a breakthrough in design, function and durability. They are the first communication boards employing one piece, blow-molded bodies with integral, living hinge frame faces which completely surround the board surface and provide full support against the wall. Lightweight and extremely durable, Ingenuity is the choice where utility and durability is preferred. Available as Dry Erase, Bulletin or Combination.

✓ **Dry Erase features a premium ghost-free coated-styrene surface and marker tray**

✓ **Bulletin boards available in premium cork or fabric tack surface**

✓ **All feature replaceable surface**
 ✓ **All include hanging hardware**
