

INGENUITY™ BOARDS

Durable. Flexible.

INGENUITY™ BOARDS

FEATURES

- Dry Erase features a premium ghost-free coated-styrene surface and marker tray
- Replaceable surface *(see web site for details)*
- Hanging hardware included
- Easy horizontal or vertical installation

Ingenuity™ Collaboration Boards are a break through in design, function and durability. They are the first communication boards employing one piece, blow-molded bodies with integral, living hinge frame faces which completely surround the board surface and provide full support against the wall. Lightweight and extremely durable, Ingenuity™ is the choice where utility and durability is preferred. Available as Dry Erase, Bulletin or Combination. All Iceberg products are backed by a 15 year manufacturer's limited warranty.
