

ROUGH N READY® SHELVING

Functional. Easily Assembled.

ROUGH N READY® SHELVING

ROUGH N READY® 5 SHELF

Organizing is a no-brainer with this heavy duty, commercial-grade, shelving. The 180-lb capacity, per shelf evenly distributed, makes this an ideal storage solution for stock and utility rooms in offices or basements and garages in the home. Constructed of steel reinforced, blow-molded high-density polyethylene, these units won't scratch, dent or rust. Strong polypropylene uprights provide increased stability. Solid surface shelves support small items while the 16" clearance between shelves handles bulky and larger items. The bottom shelf is raised 2" from floor for protection. Fast and easy snap-together assembly means no tools required. Cleans easy. Wall anchors included. Made in USA. All Iceberg products are backed by a 15 year manufacturer's limited warranty.
