

ROUGH N READY® FOLDING CHAIRS

Ergonomic design. Extraordinary comfort.

ROUGH N READY® FOLDING CHAIRS

FEATURES

- Frame is constructed of Gray powder-coated heavy-gauge oval steel tubing with sturdy cross bracing
- Ergonomically designed for superior comfort with an oversized seat and back
- Constructed of blow-molded high-density Polyethylene that has a "Soft but firm" feel
- Lightweight, easy storage and non-mar plastic feet
- Weight capacity of 350lbs
- For indoor or outdoor use

DIMENSIONS

- Commercial Chair - 35.5" L x 21.5" W x 18.75" H
- Classic Chair - 35.5" L x 18" W x 15" H

These folding chairs are extraordinarily comfortable. Ergonomically contoured, extra-wide seat and back provide all-day support with a softer feel. The seat and back are constructed of blow-molded high-density Polyethylene with soft radius edges. This gives both the seat and back a "Soft but firm" feel. Made in the USA. All Iceberg products are backed by a 15 year manufacturer's limited warranty.
