The Cardholder may cancel this authorization at any time by contacting Sakura Distributors Inc. ("Sakura"). This authorization will remain in effect until cancelled. This information will be processed by Shopify Inc, PDFfiller Inc, and may be stored in the United States and other countries.

If the Cardholder wishes to not have the Cardholder's information stored outside the country, the Cardholder may submit the forms in person at the Cardholder's nearest Sakura location.

Please note that the Cardholder's credit card will not be charged without any prior notice - an Accounts Manager of Sakura will contact the Cardholder to ask the Cardholder for the Cardholder's authorization and will send the Cardholder a monthly statement and invoices before charging the Cardholder's card.

The Customer is responsible for providing a new credit card with a new authorization if the Cardholder's card is expired or cancelled.

**Declaration:**

I, \_\_\_\_\_, am an account holder at Sakura and I authorize the Sakura to store my credit card information on file for future transactions.
