

## RB TRACTION PILLOW

- Helps improve patient comfort during traction treatments
- Helps protect traction table from wear and tear
- Easy to clean, durable vinyl cover
- Supports shoulders and upper thoracic area for comfort during traction treatments

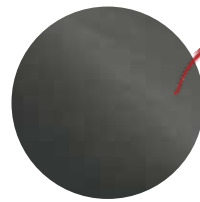

### COMFORTABLE SUPPORT

The RB Traction Pillow provides comfortable support during traction procedures while helping protect traction tables from wear and tear. This pillow supports shoulders and upper thoracic area, increasing overall patient comfort by helping reduce muscle guarding and promoting patient relaxation.

### CONTOURED CONSTRUCTION

Constructed with supportive, high quality foam, the RB Traction Pillow is covered with a durable, black vinyl cover for easy cleaning. This latex free pillow can be used with any cervical traction treatment or during manual traction.
