- Bilateral design fits both right and left foot

Available From:

COMFORTABLE PLANTAR FASCIITIS RELIEF

The Swede-O® Thermal Vent® Plantar DR™ is designed to help relieve pain and discomfort from plantar fasciitis, Achilles tendinitis, and other conditions.

The non-elastic strap pulls the ankle into a slight dorsiflexion position and extends the toes to gently stretch the plantar fascia; passively stretching the calf and Achilles tendon while resting or sleeping to help alleviate morning pain and discomfort. The gentle stretch helps reduce muscle contracture, inflammation, and associated pain. Non-slip safety sole helps prevent slipping.

THERMAL TECHNOLOGY

Engineered with MVT®: MicroVentilated Thermal Technology™

Thermal Vent Supports are a valuable aid to help rehabilitate injured tissue. These products provide warmth and heat therapy to help increase pliability and elasticity of muscles and tendons, making them more responsive to therapy and exercise.

SPECIFICATIONS

Product Selection: Swede-O® Thermal Vent® Plantar DR™ BRE-6340, Gray

Product Weight: .3 lbs

Dimensions:

XSmall: 9.7" x 5"
Small: 10.25" x 6"
Medium: 11" x 6"
Large: 11" x 7"
XLarge: 12" x 7"

Materials: Nylon, Neoprene

Case Quantity: 12

Case Dimensions: 11" x 14" x 13"

Case Weight: 5 lbs

Latex: This product is not made with natural rubber latex

Country of Origin: Made in China

California Residents Only:
