Available From:

EASE ACES, PAIN, AND STIFFNESS

The Swede-O® Thermal Vent® Ankle Wrap is designed to provide gentle compression and warmth to help relieve aches, pain, and ankle stiffness associated with arthritis. The thermal lining retains body heat to promote recovery.

Use prior to activity to warm muscles, ligaments, and tendons to help prevent muscle strain. The adjustable closure provides a customized fit, allows for variations due to swelling, and offers easy application and adjustment. The material is soft and comfortable against the skin; bilateral design fits right or left foot.

THERMAL TECHNOLOGY

Engineered with MVT²: MicroVentilated Thermal Technology™
Thermal Vent Supports are a valuable aid to help rehabilitate injured tissue. These products provide warmth and heat therapy to help increase pliability and elasticity of muscles and tendons, making them more responsive to therapy and exercise.

SPECIFICATIONS

Product Selection: Swede-O® Thermal Vent® Ankle Wrap BRE-6342, Gray

Product Weight: .3 lbs

Dimensions:

Small: 9" x 15"
Medium: 9.25" x 16"
