FUNCTIONAL & COMFORTABLE

The Swede-O® Thermal Arthritis Gloves are designed to help relieve aches, pains, and stiffness associated with arthritis of the hands. The thermal lining captures and retains your natural body heat to help increase circulation and aid in long lasting pain relief.

These form fitting gloves provide mild compression to help control or decrease swelling and pain of the joints. The non-slip, textured palm and open fingertips are convenient for everyday activities.

INDICATIONS FOR USE

Use the Thermal Arthritic Gloves to help relieve aches, pains and stiffness associated with arthritis of the hands, poor circulation, and other hand conditions. Useful to wear during daily activities to help reduce soreness and swelling of the hands and fingers.

THERMAL TECHNOLOGY

Thermal technology captures and retains your natural body heat to help provide pain relief and heat therapy. With unsurpassed quality, this thermal support provides comfortable compression and warmth to help ease the pain of sore, swollen joints.
