### FUNCTIONAL & COMFORTABLE

The Swede-O® Thermal Carpal Tunnel Glove provides comfortable support to the wrist and is commonly used in the treatment of carpal tunnel syndrome. The removable palmar spoon is preformed with a 25° angle to support the wrist in a neutral position.

The thermal lining captures and retains your natural body heat to help increase circulation and aid in long lasting pain relief. This form fitting glove provides mild compression to help decrease swelling and pain of the joints. The non-slip, textured palm and fingers with open fingertips are convenient for everyday activities. Specify left or right hand when ordering.

### THERMAL TECHNOLOGY

Thermal technology captures and retains your natural body heat to help provide pain relief and heat therapy. With unsurpassed quality, this thermal support provides comfortable compression and warmth to help ease the pain of sore, swollen joints.
