Available From:

### VERSATILE & COMFORTABLE

The Core Products® Patient Gown is a versatile and ideal choice for use in nursing homes, assisted living facilities, hospitals, clinics, and other healthcare centers. If you require medical care for any length of time, these gowns provide comfort and allow for easy accessibility.

The convenient hook and loop closures at the neck and mid-back prevent accidental exposure and preserve modesty during exams. The gown offers ample patient coverage and roomy sleeves, making the gowns easy to put on and comfortable to wear. Generous sizing to accommodate individual shapes and sizes.

### REUSABLE & DURABLE

Our Patient Gown is constructed of high quality, cotton/polyester fabric that is comfortable and durable to withstand repeated washings. Our gowns are light-weight, exceptionally soft and gentle on irritated skin and sensitive areas, unlike most standard hospital gowns. They are durable enough to withstand repeated washings; simply place in washer and tumble dry.

### VERSATILE & COMFORTABLE

The Core Products® Patient Exam Shorts are a versatile and ideal choice for use at hospitals, assisted living facilities, clinics, and other healthcare centers to preserve modesty. Patient shorts are a great alternative when gowns are impractical, exposing the treatment area only for quick access to the affected area.

The half elastic waistband combined with the convenient hook and loop closures on the front provide additional adjustment to prevent accidental exposure. The shorts offer ample patient coverage and a high level of privacy. These shorts are easy to put on, unlike those with clumsy inconvenient ties. Generous sizing accommodates individual shapes and sizes.

### REUSABLE & DURABLE

Our Patient Exam Shorts are constructed of high quality, cotton/polyester fabric that is comfortable and durable to withstand repeated washings. Available in blue, to create a feeling of calmness and help reduce symptoms of anxiety. These breathable shorts are lightweight, exceptionally soft and gentle on irritated skin and sensitive areas. They are durable enough to withstand repeated washings; simply place in washer and tumble dry.
