

NEW WEBSITE

Merry CHRISTMAS

From all of the team!

Yippee! Our new website is now live!
Here are a few things you should know...

- 🍪 Our website address is still the same!
- 🍪 If you are existing customer, you will need to make a new account on the new website
- 🍪 Our product images are now bigger and better than ever!
- 🍪 Our new and improved loyalty points scheme is now up and running!

Until December 31st 2019 we are giving **DOUBLE** points for every pound spent with us... You will be rewarded £5 for every 100 points collected!

Head on over to our website now!

Meet Chloe

A little about me

Hi, I'm Chloe, Andrea's youngest daughter aged 21. I have worked for Always Knitting & Sewing for over 4 years now and feel super lucky to work so closely with my family. I manage our Buttons and Ribbons Department, as well as working closely with our customer service team. I also answer all of your emails throughout the week along with taking phone orders! I enjoy Knitting and Sewing, but my main hobby is dancing. I attend a Line Dancing Class every week which I absolutely love! I knit a lot of bits and bobs and have recently started to knit cardigans for myself. Over the past few months I have been learning to Crochet, I have made a Bunny so far! I have also knitted Hedwig the Owl from Harry Potter!

I hope you enjoyed getting to know me a little! Chloe x

DO YOU KNOW ABOUT OUR CHRISTMAS CRAFTING WONDERLAND

FACEBOOK GROUP?

Our Christmas Crafting Facebook Group is the perfect place for you to share all of your Christmas projects! We now have over 600 members who love sharing their festive makes every day! Any one can become a member, just head on over to our Facebook Page to join!

Fun Sewing Fact
Women began forming sewing society's in the 1860's where they would gather together and make quilts to sell at church bazaars!

CUSTOMER STORY

Our Christmas Window is up!

Big thank you to two of our wonderful ladies, Lynne and Sandra for creating our beautiful Christmas Window this year... For more pictures visit our Facebook Page!

MEET JULIE

Hi I'm Julie Thorn, the Bee Farmers Wife and I live in Sudbury in Suffolk. In 2016, following 30 years in Banking and London, I decided I wanted a change! My husband, Kevin was expanding his Bee Keeping hobby into becoming a Commercial Bee Farmer and suggested I help him market his honey and do a bit of book-keeping...

I knew nothing about Bee Keeping but I knew I had a lot of different skills from my time at the Bank, working with Businesses in London.

2017 grew into a busy and successful year of marketing and wholesaling our honey and I was also enjoying having some time being quiet and creative with our Beeswax.

In 2018 I started Busy Bees Cosmetics using our natural beeswax products. I practised and mastered making our reusable Beeswax Wraps, as a better alternative to clingfilm, to wrap food and cover bowls of leftovers. The wrap will hold its shape, seal when it cools and when wiped gently with cool water and soap, can be stored in the fridge for next time and reused up to 12 months.

We love using our Beeswax Wraps at home and storing our food without using plastic. We have a fantastic relationship with Always Knitting and Sewing and love their selection of cotton fabrics and their fabulous friendly service.

We now make our Beeswax Wraps in 40 different designs supplied by Always Knitting + Sewing.

If you are interested in Bees, Kevin regularly shares his video experiences on our Stour Valley Apiaries Facebook page and he will be pleased to answer any Questions posted!

SEWING TIP

When sewing things like piping or bias tape around the edge of a project, using pins can be tricky! Try using mini clothes pins instead!

WE ARE ALSO REDUCING OUR PLASTIC WASTE!

Did you know that enough plastic is thrown away each year it could circle the Earth **FOUR** times?

Well...we are now on our way to being plastic free! Some of you may have noticed that we now send all of our Buttons/Trimmings in cute little **PAPER** Bags... We have also made sure that our parcel bags are made from recycled materials too and all of our fabric/wool orders are sent out without the use of extra plastic. By the new year we are hoping to have reduced our plastic usage by nearly 100%!

A Gift For You

£5 off all purchases over £30 using code

xmasgift2019

EXPIRES 31ST JAN 2020
