

## Method Race Wheels Returns Policy

- Returns must be processed through an authorized dealer or distributor.
- Closeout items are non-returnable.
- Wheels must be returned in their original packaging and not had tires mounted on them.
- If wheels are received and it is evident that tires have been installed credit will not be issued and wheels will be scrapped.
- If wheels are received and it is evident they were not repackaged properly resulting in damage during transit credit will not be issued and wheels will be scrapped.
- If wheels are being returned with call tags sent from Custom Wheel House, then the customer has 5 days to print the labels and 15 days to send the product before they expire. If the labels have expired and the customer still wishes to return the product they will be responsible for covering the shipping cost.
- Return product must be received by Method Race Wheels within 30 days of RMA being issued. If product is not received within this time customer will be billed for the replacement product.
- If you have questions regarding this policy, returning product, or the status of an RMA, please contact 866-779-8604 or [info@methodracewheels.com](mailto:info@methodracewheels.com).
