6-Year Product Warranty Program AERÉ Inflatable Fenders

Thank you for purchasing AERÉ Inflatable Fenders. AERÉ Docking Solutions is pleased to announce its enhanced 6-year fender warranty program. Since 1998, we have strived for 100% customer satisfaction for our products and with our strong quality control initiatives in place, we are able to introduce this new program.

Year 1	Full replacement for any manufacturing issue. The customer pays shipping to our location, AERÉ pays return economy
Years 2- 4	Direct replacement for manufacturer's defects only. 20% off MSRP to customer for replacement fender of same size and type. Repair available at \$50-\$100 charge (depending upon fender size and complexity of repair) plus shipping to and from our site or the nearest authorized repair facility. Repair will be warranted for 90 days.
Years 5-6	20% off MSRP to customer for replacement fender of same size and type. Repair available at \$50-\$100 charge (depending on fender size and complexity of repair) plus shipping to and from our site or the nearest authorized repair facili-

This warranty is limited to product air loss and additionally limited to product failure as a result of normal use and service for which the product is designed. Fenders that are excessively worn or have damage resulting from a knife cut or similar puncture are not covered under this warranty. All fenders with multiple attachment points ("d-rings") must be deployed utilizing all attachment points provided; deviation from this practice will void product warranty protection.

Obligation under this warranty is limited to repair, replacement or credit of the fender at AERÉ Docking Solutions' discretion. AERÉ Inflatable Fenders and the manufacturer, PRAKTEK, Inc. shall not be liable for indirect, special, incidental or consequential damage or penalties and does not assume liability of purchaser or others for injury to persons or property.
