

AW 2024

TELLING STORIES THROUGH DESIGN™

Our purpose is to design with intent and meaning, something more than just a seasonal accessory.

We've always loved a good story - hearing them, telling them.

So, telling stories through design is what we do.

Fall in love with our limited-edition scarf designs every season, in bright spring colourways and moody winter hues, which are as individual as the wearer themselves.

What's your story?

Designed in Melbourne

Printed and hand-finished in India

Pure natural fabrics
