

US375 - Premium Surveyor Vest

Collection: Vest-Port

Range: High Visibility

Outer Carton: 24

Product information

Our High performance Premium Surveyors Vest was specially designed for practicality and durability. With unique Two Tone HiVisTex Pro segmented tape for increased visibility in diverse types of environment. Robust but yet comfortable due to the Mesh Air back panel and padded neck, for when the vest is loaded down with tools. This vest is packed with functional features!

Vest-Port

The Vest-Port™ extensive range of vests covers the varied demands of the work environment from core styles to the revolutionary "Executive" design, which is now available in both summer and winter weights.

High Visibility

Our extensive range of High-Visibility clothing meets stringent requirements in both design and construction, to ensure compliance with the latest EN ISO 20471 & ANSI standards. Innovative and technical, our High Visibility range is ideal for those who will not compromise on style, comfort, protection and performance.
